family and friendship ties for the purpose of improving social, economic, and religious life in US society. Scepter's selection of titles emphasizes the fundamental aspects of religious life: prayer, sincerity, self-denial, and a spirit of service to others. Since its publishing focus is related to a message that remains outside the mainstream, it must make a greater effort to promote these materials with better marketing in order to reach individuals already receptive to this message as well as those who might be led to a greater awareness of its importance.

During 2013 Scepter released several new works that help people in their day-to-day struggles to improve both their own lives and the lives of others. It released a collection of letters, addresses, and homilies of Pope Francis, entitled "Encountering Christ". A principal theme of this book is that we must learn to love every one at our side, no matter who they are. Scepter also released a book by Fr. Mariano Fazio about Pope Francis entitled "Pope Francis: Keys to His Thoughts" This book offers a short introduction to the principal themes of Pope Francis' teachings.

"Self-Esteem Without Selfishness" by Michael Esparza is a book that helps people grow in their relationships by learning to have a healthy love of self. "You Can Pray" and "You See Me, You Hear Me" are books that help young people to develop a life of prayer.

"Big Hearted" brings together a collection of inspiring stories about the joys, sorrows, and beauty of family life. Scepter also released "Good, Better, Best!", a book that helps parents teach their children good work habits from an early age. "Good Use of Time" is a short

practical book for adults on time-management. "Why John is Different" offers unique insights into the Gospel of St. John from the director of the Navarre Bible project, Rev. Juan Chapa. Finally, Scepter released a new book about ethics entitled "Beyond Good Intentions". Scepter continued to offer free books to prisoners upon request. It is the organization's belief that society greatly benefits when prisoners have access to these books, as they aid greatly in the reformation of their character, which is important to their eventual reintegration into society. Scepter continued to develop its list of electronic books and its own electronic distribution system. These electronic books are especially helpful as they are of lower cost and greater convenience to readers.
