(b.) Application Format

Part XV, Line 2(d)

(d.) Guidelines for Grant Seekers

CMS Energy Foundation was established to provide financial support to organizations classified by the Internal Revenue Service as tax exempt under Section 501(c)(3) of the Internal Revenue Code. Such organizations generally define their programs as those which:

- (1) Provide preventative solutions to problems faced by individuals and families who are unable to address their own needs;
- (2) Protect and enhance the physical environment;
- (3) Provide education initiatives, directed primarily to schools of higher learning;
- (4) Participate in community and civic endeavors that support programs focusing on economic development at the community, regional and statewide levels;
- (5) Increase awareness in culture and arts programs, creating wider recognition of cultural assets, and provide services to regions or populations who would otherwise be unable to participate.

The Foundation will consider requests from qualified organizations to support operating budgets and capital fund programs for construction, refurbishment or purchase of buildings, structures, equipment or other physical enhancements. Normally, the Foundation will not contribute to endowments.

Geographic

The principal focus of the CMS Energy Foundation includes those communities where CMS Energy has facilities and business investments.
