INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Shares of Wisconsin, Inc.
Madison, Wisconsin

We have audited the accompanying financial statements of Community Shares of Wisconsin, Inc., which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Shares of Wisconsin, Inc. as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

COMMUNITY SHARES OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012

Community Shares of Wisconsin, Inc. (Community Shares), located in Madison, Wisconsin, is a nonprofit organization that provides support for organizations in charitable and educational activities. In addition, Community Shares provides community and citizen education for the continuation of private, nonprofit organizations in south-central Wisconsin. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Community Shares is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets—Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets—Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions. Temporarily restricted net assets at December 31, 2013 and 2012 consisted of contributions restricted for distributions to member agencies in the subsequent year.

Permanently restricted net assets—Net assets that have been restricted by donors to be maintained by Community Shares in perpetuity.

Campaign Pledges

Campaign pledges consist of promises to give. Unconditional promises to give are recognized as support in the period the promises are received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Promises to give receivable in less than one year are recorded at their net realizable value. All promises to give are receivable in less than one year.

The allowance for uncollectible pledges is maintained at a level adequate to absorb probable uncollectible pledges. Management determines the adequacy of the allowance based upon reviews of the campaign results from prior years. Pledges deemed uncollectible are charged to the allowance. Provisions for uncollectible pledges and recoveries previously charged off are added to the allowance.

Miscellaneous Receivables

Community Shares considers all miscellaneous receivables to be fully collectible. Accordingly, no allowance for doubtful accounts is presented. If amounts become uncollectible, they will be charged to operations when that determination is made.

Donated Services

Donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their estimated fair values in the period received.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Equipment

Acquisitions of equipment in excess of \$2,500 are capitalized. Purchases of equipment are recorded at cost. Donations of equipment are recorded as support at their estimated fair value on the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, Community Shares reports expirations of donor restrictions when the donated or acquired assets are placed in service. Community Shares reclassifies temporarily restricted net assets to unrestricted net assets at that time. Depreciation is provided using the straight-line method over three to five years, the estimated useful lives of the assets.

Member Agency Work Hours

Each member agency of Community Shares is expected to complete designated work hours as required by the by-laws. Work hours can be completed in a variety of ways and are determined by the Funding Allocation Formula adopted annually by the Board of Directors. The value of member agency work hours has not been recognized in the financial statements since the criteria for recognition have not been met.

Expense Allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated to program services and supporting activities benefited.

Program Services - consists of technical assistance to members and other nonprofit organizations, processing and distributing distributions to member nonprofits, administration of the Annual Awards, coordination of nonprofit workshops, participation in community programs and boards, and staffing of access committees and promotional activities related to member agencies' work and activities. Community Shares also coordinates Center for Change activities and programs. Community Shares records payments from Center for Change tenants as revenue and records all the expenses associated with Center for Change.

Management and General - consists of staff support for Board of Directors' meetings, in addition to staff support of Executive, Finance, and Personnel Committees, and performance of bookkeeping, accounting, budgeting, tax preparation, and audit functions.

Fundraising - consists of coordination of special events, Community Shares' donor list maintenance, and coordination of direct mail and major donor appeals.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Endowment Fund

Donations specified by the donor or the Board of Directors as endowment funds are placed in Community Shares' Endowment Fund operated by the Madison Community Foundation as further described in Note 2.

Income Tax Status

Community Shares is a nonprofit public charity exempt under Internal Revenue Code Section 501(c)(3) and is therefore not subject to federal and state income or franchise taxes. The Community Shares' federal exempt organization returns are subject to examination by the Internal Revenue Service, generally for three years after they are filed. With few exceptions, Community Shares is no longer subject to such examinations for years before 2010.

Date of Management's Review

Management has evaluated subsequent events through May 9, 2014, the date which the financial statements were available to be issued.

NOTE 2 - ENDOWMENT FUND

The Community Shares of Wisconsin Endowment Fund (Fund) was established as a component fund of the Madison Community Foundation (Foundation) in 2002. The Foundation, as a charitable trust, serves the mutual interests of Dane County and those individuals and organizations who wish to enhance the quality of life in the community through charitable giving. Component funds of the Foundation are established by donors for the benefit of the community, and, when these funds are established, donors may indicate what organizations or causes should benefit from distributions from the fund. However, donors also grant the Foundation variance power that allows the Foundation to modify the donors' stipulations under certain circumstances as the Foundation monitors the changing needs of the community. Therefore, the Fund is not included in Community Shares' financial statements.

The amount available for annual distribution represents 4.75 percent of a rolling twelve-quarter average. Community Shares has elected to reinvest the annual distribution. All other interest and appreciation is added to the Fund. Principal may not be drawn from the Fund except with approval of the Foundation's Board of Governors. The fair value of the Fund at December 31, 2013 and 2012 was \$41,670 and \$32,713.
