2013 Kohl Excellence Scholarship Guidelines

Purpose

The purpose of the Kohl Excellence Scholarship program is to recognize student leadership, citizenship, school and community involvement, and academic achievement. It is the goal of the Foundation to encourage Wisconsin youth to pursue postsecondary education in a public or nonpublic university, college, or vocational/technical college. The Foundation awards \$1,000 scholarships to 100 Wisconsin high school graduates each year. Homeschooled Wisconsin students receive a proportionate number of the total scholarships awarded each year.

Who Is Eligible

Applicants must be homeschooled students who intend to enroll in a postsecondary institution, which may be a public or nonpublic university, college, or vocational/technical college. Students who are residents of the State of Wisconsin, USA, are in good standing, and who demonstrate probable success in postsecondary education are eligible.

Selection Criteria

This is a competitive scholarship. Students will be evaluated on their leadership, citizenship, school and community involvement, and academic achievement. In addition, students will be evaluated on their ability to clearly articulate goals in each of four areas: future educational goals, personal life goals, community/society service goals, and career goals. Applications must be typed. Handwritten applications will be disqualified.

Each student must submit three letters of recommendation, one from each of the following categories:

1. teacher
2. family friend
3. community member

Letters of recommendation will be evaluated on how well they describe the student's improvements, contributions, and successes.

Application Process

Students must submit their completed applications to the Wisconsin Parents Association (WPA) no later than November 8, 2012. Selection of finalists will be made by a committee named by the WPA Board of Directors. On or before December 14, 2012, WPA will advance the finalists to the state level.

The state selection committee will consist of representatives from the Wisconsin Parents Association, Cooperative Educational Service Agencies, Wisconsin Council of Religious and Independent Schools (WCRIS), Wisconsin Newspaper Association, Herb Kohl Educational Foundation, education-related associations, and the community. The committee will convene on January 29-30 2013 to score applications. Applicants will be contacted in early March, 2013.

Use of Scholarship Grant

A Kohl Excellence Scholarship may only be used to directly reimburse tuition, room and board, books, equipment, technology, and fees for post-secondary education. In August 2013, the Herb Kohl Foundation will make the \$1,000 scholarship grants directly to the postsecondary institutions that the scholarship recipients attend. Scholarship recipients will be honored and will receive certificates representing their awards at a special luncheon held in the spring.

2013 Herb Kohl Teacher Fellowship Program Guidelines

Purpose

The purpose of the Herb Kohl Teacher Fellowship program is to recognize and support teaching excellence and innovation. The Herb Kohl Educational Foundation's goal is to support Wisconsin teachers in pursuit of their unrealized goals for their classrooms or professional development. The 100 Kohl teachers and the 100 schools of those teachers will each receive \$1,000 grants from the Kohl Teacher Fellowship program and will be recognized at a spring banquet.

Nomination Process

To be eligible to compete for a fellowship, teachers must be nominated by students, parents, other teachers, community members, or administrators. Because the program's purpose is to recognize the contributions of Wisconsin classroom teachers, **staff members whose assignments are administrative or supervisory are not eligible**. All PK-12 classroom teachers who plan to continue teaching in their current capacity for a minimum of 50% full-time equivalency during the 2013-14 school year are eligible. Previous fellowship recipients are ineligible. Nomination forms [PI-HHK-3 (Rev. 7/12)] must be submitted to the Department of Public Instruction on or before **Friday, September 28, 2012**.

Application Process

Nominees will be sent a Kohl Teacher Fellowship Application [PI-HHK-2 (Rev. 07/11)] **no later than October 15, 2012**. In order to provide all nominees an equal opportunity, they must follow all instructions in the application form. All applications must be typed.

Nominees will be evaluated on the following:

1. personal educational philosophy;
2. how they work to raise achievement for all students;
3. innovative projects/programs;
4. commitment to their community;
5. unrealized goals for their classroom or professional development; and
6. positive aspects they see in education and changes they would like to see made.

Each nominee must submit three letters of recommendation; one must come from outside the immediate school community who is not currently employed by the school district or a board member, such as former students, parents, community members, colleagues in a professional association not directly linked to the nominee's school or district, or university or college professors. Letters should enhance the nominee's application by illustrating specific examples of the teacher's skills and

contributions, knowledge, or attributes emphasized in the application materials

Each of the state's public school districts may submit up to four applications, one for each category elementary, middle/junior high, high school, and special services. **Please check only one category on the application form.**

Special services teachers are those who serve in a PK-12 capacity other than that of a classroom teacher. Like teachers, they must have **daily face-to-face contact with students**. Special services include: special education, gifted and talented (or other exceptional needs), reading resource, speech therapy, guidance and counseling, or instructional media personnel

Districts enrolling 2,000 to 9,999 students **may nominate one additional teacher** (a total of two) in each category. Districts enrolling 10,000 or more students **may nominate two additional teachers** (a total of three) in each category.

Application Due Date

Kohl Teacher Fellowship nominees must submit their completed applications to their principal **no later than Thursday, November 8, 2012**. Do not send applications to the DPI.

Selection Process

Each school district administrator or superintendent will assemble a local selection committee to review their own teachers' applications. Committee representation should include students, parents, teachers, administrators, school board members, civic and business leaders, and local newspaper people.

The selected teacher applications are then forwarded by the district administrator or superintendent to the regional selection committee, which is coordinated in each of the state's 12 cooperative educational service agencies (CESAs) or Milwaukee Public Schools (MPS) by **November 28, 2012**. Representation on the 13 selection committees includes area parents, teachers, principals, administrators, school board members, civic and business leaders, and local newspaper people.

Successful applicants' materials will be forwarded to a State Selection Committee by **December 14, 2012**. Representatives of the Kohl Educational Foundation, CESAs and MPS, the Wisconsin Council of Religious and Independent Schools, the Wisconsin Newspaper Association, and state education-related associations serve on the State Selection Committee.

Wisconsin/National Teacher of the Year Programs

Public school recipients of Kohl Teacher Fellowships automatically become candidates for the Wisconsin Teacher of the Year (TOY) program, and a State Selection Committee selects four Teachers of the Year using their Kohl Fellowship applications. During the summer of each year, Wisconsin Teachers of the Year are chosen for each of the four categories: elementary, middle/junior high school, high school, and special services. The four selected teachers are interviewed in Madison in September to determine Wisconsin's nominee to the National Teacher of the Year Program.

2013 Herb Kohl Teacher Fellowship Program Guidelines

Purpose

The purpose of the Kohl Teacher Fellowship program is to recognize and support teaching excellence and innovation. The Herb Kohl Educational Foundation's goal is to support Wisconsin teachers in pursuit of their unrealized goals for their classrooms or professional development. Selected Kohl teachers and the Wisconsin schools of those teachers will each receive a \$1,000 grant from the Herb Kohl Educational Foundation and will be recognized at a spring banquet.

Nomination Process

To be eligible to compete for a fellowship, teachers must be nominated by students, parents, other teachers, community members, or administrators. Because the program's purpose is to recognize the contributions of Wisconsin classroom teachers, **staff members whose assignments are administrative or supervisory are not eligible**. All PreK-12 classroom teachers who plan to continue teaching in their current capacity for a minimum of 50% full time equivalency during the 2012-13 school year are eligible. Pre-school teachers must teach in a PreK program that is affiliated with an elementary school. **Previous fellowship recipients are ineligible.** Nomination forms must be submitted to the central education office for the diocese or jurisdiction with whom the teacher's school is affiliated no later than **September 28, 2012**.

Application Process

Nominees will be sent a Kohl Teacher Fellowship Application on or before **October 17, 2012**. In order to provide all nominees an equal opportunity, they must follow all instructions in the application form.

Nominees will be evaluated on the following:

- 1 personal educational philosophy
2. how they work to raise achievement for all students
- 3 innovative projects/programs
- 4 commitment to their community
5. unrealized goals for their classroom or professional development
6. positive aspects they see in education and changes they would like to see made

Each nominee must submit three letters of recommendation, one must come from someone outside the immediate school community who is not currently employed by the school district or a board

member, such as former students, parents, community members, colleagues in a professional association not directly linked to their school or district, or a university or college professor. All letters should enhance the nominee's application by illustrating specific examples of the teacher's skills and contributions, knowledge, or attributes emphasized in the application materials.

Each of the jurisdictions may submit up to four applications, one for each category: elementary, middle/junior high, high school, and special services. **Please check only one category on the application form.**

Special services teachers are those who serve in a K-12 capacity other than that of a classroom teacher. Like teachers, they must have **daily face-to-face contact with students**. Examples of special services include special education, gifted and talented (or other exceptional needs), reading resource, speech therapy, guidance and counseling, or instructional media personnel.

Jurisdictions enrolling 2,000 to 9,999 students **may nominate one additional teacher** (a total of two) in each category. Jurisdictions enrolling 10,000 or more students **may nominate two additional teachers** (a total of three) in each category.

Application Due Date

Completed Kohl Teacher Fellowship applications must be submitted to the central education office for the diocese or jurisdiction with which the school is affiliated on or before **November 28, 2012**.

Selection Process

Each diocese/jurisdiction will assemble a selection committee to review their own teachers' applications. Committee representation should include students, parents, teachers, administrators, school board members, civic and business leaders, and local newspaper people.

Local nominees' applications are forwarded to the Wisconsin Council of Religious and Independent Schools office by **December 12, 2012**.

Successful applicants' materials will be forwarded to a State Selection Committee Representatives of the Herb Kohl Educational Foundation, Cooperative Education Service Agencies, Wisconsin Council of Religious and Independent Schools, Wisconsin Newspaper Association Foundation, and state

education-related associations serve on the State Fellowship recipients in early February 2013, and applicants will be notified of their selection in early March, 2013.
