3. A sample copy of the application for the CHARLES CRISWELL SCHOLARSHIP GRANTS as requested in Schedule H (1f).

CHARLES E. CRISWELL MEMORIAL FUND

Intent of the Fund:

The Eureka Foundation (the Foundation) has been selected to hold and administer an endowment to be known as the Charles E. Criswell Memorial Fund (the Funds). The Funds will provide scholarship grants to be known as the Charles E. Criswell Scholarship. The funds will provide two (2) \$1,000.00 scholarships for individuals, including but not limited to high school, college and graduate school students to enable the recipient to complete vocational or technical school training.

The number of Scholarship Grants will be determined by how many candidates apply and meet the selection criteria with a maximum of two (2) Scholarship Grants awarded each year, which will allow the endowment interest to fund the Scholarship Grants. The Scholarship Grants will be a predetermined fixed amount that will allow the endowment fund to provide Scholarship Grants annually with the interest earned for up to four years for each recipient.

Additionally, the Foundation may accept other funds to provide scholarship grants to individuals, including high school students, to enable the recipients to complete an undergraduate education in the field of their choice at the college of their choice. Grants made from such Funds, or future funds, shall be referred to as "Scholarship Grants."

Criteria:

Candidates shall be past or current residents of Eureka, Kansas or its surrounding area that seek vocational or technical training at an educational institution. The educational institution must provide an educational program offering a training program to prepare students for gainful employment and be accredited by a national recognized accreditation agency. All Scholarship Grants must be used for tuition and related expenses. The institution must normally maintain a regular faculty and curriculum and must normally have a regularly organized body of students in attendance at a place where the educational activities are carried out.

Candidate selection criteria also includes academic performance, recommendations from instructors of such applicants and others who have knowledge of the applicant's capabilities, financial need and past or proposed course of study.

The Foundation reserves the right to impose additional, minor reasonable restrictions and/or requirements upon the awarding of Scholarship Grants and the administration of such grants. Any substantial or material changes will be made only with the approval of the Foundation's Board of Directors.

Grant Selection Committee:

The Foundation Board of Directors shall be the selection committee charged with the evaluation of candidates for Scholarship Grants for the Fund or any subsequent fund. Members of the selection committee will be replaced by a nomination from the Board and an affirmative vote of a majority of the Board of Directors present and voting at their next meeting.

Every member of any selection committee charged with evaluation of candidates for Scholarship Grants shall adhere to relevant policies of the Foundation, including without limitations a conflict of interest and confidentiality policy. Every member of any committee shall be obligated to disclose any personal knowledge of and relationship with any potential recipient under consideration and to refrain from participation in the award process in a circumstance where he or she would derive a benefit if any potential recipient or recipients were selected over others. No grant covered by this policy may be awarded to any member of the Foundation's Board of Directors, any substantial contributor to the Foundation or any employee of the Foundation. The Eureka Foundation Board shall approve each award under this policy.

Application and Nomination Process:

Applicants for Scholarship Grants shall be required to submit such application forms and supporting materials as the Foundation may deem appropriate on a schedule to be determined by the Foundation. The application forms will be given to school counselors who will make them known to students. The Foundation website will also publicize the scholarship grants and where to apply for the grants.

Grant Renewals:

Grants will be awarded for a one-year period. A Scholarship Grant may be renewable for a period appropriate to the purpose of the grant under which the award is established up to a maximum of four (4) years or eight (8) semesters. The foundation may consider renewing a grant on a case-by-case basis according to the status of the recipient's progress. The recipient must maintain a 2.5 GPA, or better in at least 12 academic hours per semester. The minimum requirement for those enrolled in a quarterly program is at least 24 hours per year, and maintain a 2.5 GPA, or better. At the beginning of each semester/quarter the recipient will need to submit to the Board a copy of the recipient's enrollment receipt. This must be done each semester/quarter the recipient is enrolled. At the end of each semester/quarter the recipient must submit to the Board a copy of their grades for that semester/quarter.

The Foundation Board must receive a copy of the recipient's grades from the institution from the previous semester/quarter and proof of enrollment for the current semester/quarter before funds will be sent to the institution. The Board should be notified by the recipient and institution if they discontinue their education or fail to meet the minimum grade requirements. Any funds not expended shall be returned to the Foundation.

Supervision of Scholarship Grants

Scholarship Grants will be paid by the Foundation directly to the vocational or technical institution that the recipient plans on attending. That institution must agree in writing to use the grant funds to defray the scholarship recipient's expenses.

A Scholarship Grant can be used only for: (1) tuition and fees for the enrollment at a qualifying institution; and (2) books, supplies, and equipment required for courses of instruction. No grant monies can be used for room and board, teaching, research, or other services by the scholarship recipient.

Role of Donor-Advisor

The Foundation values and encourages the involvement of donors to funds established to make Scholarship Grants. The Foundation also encourages the creation of new Scholarship Grants by donor-advisors. Donor-advisor will be defined as an individual or organization that makes a contribution to a fund where such fund is separately identified by reference to contributions of the donor-advisor and with respect to which the donor-advisor has, or reasonably expects to have, advisor privileges with respect to the distribution of amounts held in such fund and developing criteria for awards if they so wish.

Record Keeping Requirements

The Foundation shall retain the following records in connection with all scholarship Grants: all information obtained by the Foundation to evaluate the qualifications of the potential recipients, the identification of recipients (including any relationship of any recipient to the Foundation, a director or officer) the purpose and amount of each grant, and any additional information the Foundation obtains in complying with its grant administration procedure. Information pertaining to unsuccessful applicants for awards shall be kept also.

Records pertaining to any grant made pursuant to this policy shall be kept for no less than three (3) years after the filing of the Foundation's annual tax return for the period in which the last installment of such grant was paid.

Eureka Foundation Receives Large Bequest

The Eureka Foundation announced last week that a gift of approximately one-half million dollars had been entrusted to them from the estate of Charles Eugene Criswell to establish a scholarship fund in his name. Discussions between Criswell and the Foundation began several months prior to his death this past summer and the Foundation is honored to fulfill Criswell's desire to aid local Eureka residents.

Criswell was a Eureka native, served his country in the Korean War and then had a successful career at Boeing as an aircraft mechanic. In his later years, he realized that little financial assistance existed for people like him - people who liked working with their hands, getting the job done right and taking pride in their work.

"Charlie felt a need to support students and individuals seeking career skills gained from trade schools and vo-tech programs," said Eureka Foundation Vice President Craig Olson, "He felt that these skills are the backbone of communities and industry. His dream was to make a difference for these students in Eureka."

The Eureka Foundation is working on establishing the

guidelines and criteria for the Charles E. Criswell Memorial Scholarship Fund. Once this task is complete, the scholarships will be available to both students and adults in Eureka.

The Eureka Foundation is a 501(c)(3) charitable organization created to bring people and prosperity to Eureka. The Criswell Memorial Scholarship is their latest initiative to recruit and retain people who will help Eureka grow. Other

Foundation programs

include the Eureka Studio community design center, blight eradication, and downtown revitalization.

Urges All Kansans to Help Protect Children from Heat Stroke

Hot Cars Can Quickly Become Deadly for Children

TOPEKA - As Summer approaches, bringing with it warmer temperatures, Safe Kids Kansas is working to increase awareness and urge caregivers to never leave children alone in a vehicle. Safe Kids Kansas reminds parents and caregivers to always check for sleeping children before leaving a vehicle, with the goal of having no more children die from heat stroke when they are "forgotten" in cars.

From 1998 to present, at least 569 children died from heat stroke because they were left unattended in vehicles that became too hot for them to survive. "As these tragedies continue to occur, Safe Kids Kansas is intensifying our efforts to get the message out that the inside of a vehicle is an extremely dangerous place for a child alone in hot weather," said Cherie Sage, Safe Kids Kansas. "Even on a mild day, the inside of a car can quickly become very hot. This is a place no child should be alone, and because children's bodies heat up 3 to 5 times faster than adults, this makes them much more susceptible to heat stroke."

Although most would assume this would never happen to them, there is no common description of the caregiver that has experienced this tragedy. It has happened to caring and responsible families from all socio-economic, geographic and educational backgrounds. "Fatal Distraction," Gene Weingarten's Pulitzer Prize-winning article in The Washington Post at <http://ow.ly/ldDwU>, explains how these heartbreaking and preventable tragedies can happen to anyone.

"Reaching parents and caregivers with ways to prevent these tragedies will no doubt help keep kids safe. These heartbreaking incidents can happen to anyone, and public education is vital to combating these preventable occurrences," said Sage.

Nine out of ten parents report that they never leave their child alone in a car, but for the one parent that does, things can end tragically. Never leave your child alone

cell phone or computer calendar as a reminder to drop your child off at childcare.

Take action if you see an unattended child in a vehicle:

§ Dial 911 immediately and follow the instructions that emergency personnel provide – they are trained to determine if a child is in danger.

Board Of Directors Discuss Improvements

The Eureka Foundation Board of Directors met for the regular meeting on June 4, at the Eureka Studio, 302 N Main Street in Eureka. Present were Craig Olson, Larry Coleman, Laura Fisher, Matt Wilson, Michael Countryman and Cindy Pereira. Guests at the meeting were Austin Walters, David Bartlett and Kate Connelly.

Minutes were approved as written.

Pereira provided the treasurer's report in Mike Pitko's absence.

Wilson reported that during Blightaggedon 2013 the Foundation removed 12 blighted structures, the city four and Invena has completed a couple since the C&D Landfill returned to normal hours. The Foundation sent a letter to the commissioners expressing appreciation to them for their willingness to help us get these structures down in a timely manner.

Fisher reported that painting on the Mills' house has begun. So far, the foundation has provided them with eight gallons of paint but Fisher is certain they will need more since it is such a large house. Fisher says there is a lot of interest in this project and

would like to have another round of grants in the fall.

Olson reported that the Charles Crisswell Trust paperwork is complete. Pereira has started researching area community and technical colleges. The Board now needs to define how the scholarships will be awarded and tracked.

Walters gave a Powerpoint presentation on a SCKEDD grant and the Our Town grant so that the Board members could begin to understand the possibilities that grants provide, but also the hard work they require.

Walters, Connelly and Bartlett are recent graduates of the Kansas State School for Architecture and were part of the collaboration this past year with Eureka. They have moved to Eureka to begin a design business, called Rural Design Mob LLC.

The work that the Foundation is doing and plans on doing will require a fundraising campaign. After general discussion, the members decided to set a goal to raise \$5,000 by September 1. Coleman volunteered to work on this.

Coleman also will be working on the K-State collaboration and hopes to have a
