1099-B Proceeds from Broker and Barter Exchange Transactions (OMB No. 1545-0715)

A schedule of your net gains and losses is shown below. Although we have shown quantity sold on the sales with either two decimal places, as a whole number, or as a fractional share, all of these amounts will be filed with the IRS as whole numbers per IRS publication 1220. We have adjusted tax costs for amortization of premium paid for the acquisition of municipal bonds through date of sale and for non-taxable dividends. An asterisk symbol (*) next to tax cost indicates that the tax cost has been adjusted for current year's return of capital.

If applicable, we have shown IRC Section 988 translation gains and losses separately within the sales sections. Please note these gains or losses are not entitled to capital gains treatment. Rather, under IRC Section 988, they are either ordinary income or loss. However, we have not made adjustments to the cost basis of all partnerships.

Proceeds from Short Term Covered Security Transactions

This category includes transactions that are short-term gain or loss on Form 1099-B, Box 1c. Form 1099-B, Box 6b is checked because this category includes only sales of covered securities. If applicable, transactions subject to wash sale are shown separately. If wash sales are not shown separately, your account has no wash sales in this category. For individual taxpayers, these transactions are reportable on Form 8949, Part I, Box A.

Proceeds from Long Term Noncovered Security Transactions

This category includes transactions that are long-term gain or loss. Form 1099-B, Box 6a is checked because this category includes only sales of noncovered securities. For sales of noncovered securities we report security description, symbol, cusip, quantity sold, sale date, federal income tax withheld and gross proceeds to the Internal Revenue Service but we do not report acquisition date, tax cost, wash sale loss disallowed and type of gain or loss. If applicable, transactions subject to wash sale are shown separately. If wash sales are not shown separately, your account has no wash sales in this category. For individual taxpayers, these transactions are reportable on Form 8949, Part II, Box E.
