Doing the association's business

Message from the President

I hope everyone had a safe holiday season. With the weather patterns that have been hitting the entire nation, staying safe and taking care of animals has been a challenge virtually everywhere. It sure is hard to call it fun when you get up to -20° F. and need to go care for the cows. However, when they see you and come running for their treats, it does make it easier.

The business of the association slowed down during the holiday season, but there are several issues that the committees continue to work on. If you are interested in being a member of any of the committees, please contact the chairperson of that particular committee. We are always looking for people interested in improving the association.

I would like to take this time to thank Gene Pittman and Charles Townson for their service to the ADCA as regional directors. Both of these individuals gave up countless hours to assist members in their respective regions and the association as a whole.

Welcome, Norman Hoover from Kansas, Steve Albritton from Mississippi and Sandi Thomas from Oregon to the Board of Directors. Sandi recently served as vice president and brings a wealth of knowledge to the board. Steve and Norman bring fresh, new ideas that keep the board vibrant. Thanks to all of you for accepting the challenge of guiding the ADCA in our ever-changing world.

The Annual Show, Sale and Meeting (AGM) will be in

Bryan, Texas, this year from June 19 to June 21. I would encourage all of you to come if at all possible. It will be warm (not a bad thought today). The members from Regions 3 and 7 are busy putting together a great venue that will feature

speakers on timely topics, great entertainment and, of course, top-notch Dexter cattle. You will find more information about the AGM in this issue. Make your reservations early!!

For several months, we have had two labs where we

can genetically test our animals. This has been a great addition to our association overall. One of the unforeseen issues has been communicating which lab you tested your animal(s) at. When you sell an animal that has had any genetic testing, I strongly recommend that you include the name of the lab where the animal was tested on the bill of sale.

The new year gets me thinking about new calves: what they will look like, what color, bulls or heifers, etc. We will need to wait until March to find out, but many of you have started to calve or soon will. I hope that all goes well in your calving processes.

Until next time,

Jim Woehl
