Form 990-EZ, Part II, Line 24, Other Assets	Old cabt, misc fire hats and other childrens items for gifts Beginning of year 352, End of year 0
Form 990-EZ, Part III, Section 28, Line 28	FFFI was formed primarily for the purpose of providing support to the Volunteer Fire Department of Fifield Its charter while defining that principal purpose, also allows for the organization to participate in civic activities that benefit the property owners in the fire district of FFDD1 To that end, FFFI has engaged is several projects to benefit the Tow n including the Fifield Memorial High School Project and the Movrich Park Project, the latter which is still an open item in phase III Funds are also maintained for the Fire Dept which are received separately from the Tow n as contributrions and can be used by the Department for various items it wants such as new 1st Responder Jackets in 2013 as required by law and its annual firemans appreciation dinner FFFI maintains the books for all of the projects, how ever the checking account balances are part of the whole in that there are not separate bank accounts setup for each unit FFFI and the Fire Department provide funds for equipment that otherwise would not be available for years via the real estate taxes One major project for FFFI has been to accumulate sufficient funds so that if we are fortunate enough to secure a grant for a new fire truck we will have the normal 10 requirement for a dow npayment Funding of various items for the 1st responders also for the most part firemen allowed for 50 calls to our area during 2013
Form 990-EZ, Part I, Section None, Line 20	Prior years did not include the checking account balance that related to the Fire Department non Tow n related It always resulted in adjustments to various grants and donations The checking account is a single account containing the funds for the various projects with which FFFI is engaged For 2013 it was decided to handle the components of donations and grants etc that would have been part of the Fire Dept and treat them as contributions to FFFI and the grants from FFFI This means going forward, that the balance sheet and profit and loss are much easier for the 990ez and presents what is actually taking place In essence that is what is taking place on paper and in real terms, but was previously backed out It has no impact to the 990 or our status in terms of meeting the terms required for a 501c3 and so it really a non-event that should have done this from the beginning, but it makes sense to do it now and going forward
