Funding Guidelines:

☐ I have reviewed and agree to the AT&T Funding Guidelines and attest that the organization named in this application meets all the Funding Requirements as outlined in the Funding Guidelines.

Funding Guidelines

Guiding Principles

AT&T is committed to advancing education, strengthening communities, and improving lives. Beginning in 2008 the majority of funding has been focused on high school retention programs and college and workforce readiness programs. Limited funds are available for support of Community Development, Health and Human Services, and Arts and Culture. AT&T prefers goal-oriented projects with specific evaluation plans. To stretch the impact of its resources, AT&T seeks broad-based efforts and partnering with other public and private resources.

Organizations must be either a 501(c)(3) tax-exempt public charity, government instrumentality, international public charity, or an organization with philanthropic or social purposed programs or efforts to qualify for funding. Government instrumentalities are agencies, including government-owned corporations, created by Congress or the state legislatures to carry out public functions or purposes.

Funding Priorities

Education (Primary Funding Area)

- Higher Education and Pre-Collegiate projects that develop community and civic leadership capacity.
- Programs that help students successfully complete high school and/or prepare for and gain access to college (especially non-traditional and underserved students).
- Programs that help students successfully complete college (especially non-traditional and underserved students).
- Leadership development programs for underserved populations (women, racial and ethnic minorities, youth, etc.).
- Job training programs that prepare underserved populations (racial and ethnic minorities, low-income, etc.) for meaningful employment.
- Higher Education contributions are made only to two- and four-year, accredited public or private colleges and universities that are not organized for vocational training in the areas of religion, art, or the military.

Community Development

- Programs that encourage small business with training in entrepreneurship, job creation, attraction, and retention.
- Programs that provide economic development opportunities in low-income areas, including community revitalization efforts, job training, etc.

Health and Human Services

- Initiatives that utilize telemedicine/ telehealth to reach underserved and hard-to-serve populations, increase access to specialists and provide medical education.
- Programs that use innovative and/or collaborative approaches to address key community health and human services issues.

Arts and Culture

- Initiatives that support and enhance the arts and cultural experience through education curriculum and other educational outreach and extensions (e.g. school outreach, audio casts, pod casts, etc.).

Entities Not Eligible for Funding (including but not limited to the following)

- Individuals or organizations without 501(c) (3) public charity status or private foundations except under special circumstances.
- Non religious organizations with a written policy or mission statement of discrimination (or permitted discrimination) by race, color, creed, national origin, gender, sexual orientation, gender identity, age, or disability.
- Major operating expenses for organizations supported by the United Way since AT&T gives directly to the United Way.

If, for any reason, the contribution will not be used for this purpose, the organization agrees to notify AT&T and request a redirection of the funds toward another charitable purpose. AT&T may, in its discretion, approve the redirection or require the return of funds to AT&T to be used for a similar purpose.

AT&T FOUNDATION EMPLOYEE DISASTER RELIEF FUND GUIDELINES

The AT&T Foundation Employee Disaster Relief Fund (the "Fund") is a program under the AT&T Foundation that provides financial or other assistance to eligible employees who are impacted by a Qualified Disaster. The Fund is intended to qualify under the provisions of Section 139 of the Internal Revenue Code of 1986, as amended.

1. Qualified Disasters

A Qualified Disaster is a situation where an employee or employees suddenly find themselves in need of food, clothing, shelter, medical care or other basic necessities, and the following two conditions are met:

- a.) A disaster occurs that (1) results from certain terrorist or military actions, (2) is a federally declared disaster determined by the President of the United States to warrant individual assistance under applicable federal law, (3) results from an accident involving a common carrier (transportation carrier such as an airplane or train), or (4) any other event, that the United States Secretary of the Treasury determines is of a catastrophic nature (such as a large scale international disaster); and,
- b.) The President – AT&T Foundation designates the disaster as a Qualified Disaster authorizing the Fund to be used to provide assistance to eligible persons.

2. Eligibility

Management and non-management employees of any AT&T Inc. company (collectively, the "Company") who are actively employed at the time of the Qualified Disaster are eligible, except that directors and officers of the AT&T Foundation, Company employees who are designated as officers for compensation purposes, and Company employees serving on the Distribution Committee are ineligible.

3. Contributions

The AT&T Foundation may accept contributions to the Fund from the Company, Company employees, vendors, other corporations, Employee Resource Groups, Pioneer chapters, retirees, and other interested individuals or organizations. Contributions to the Fund shall be used exclusively to provide disaster relief assistance or to pay administrative expenses of the Fund. Because of Federal tax rules, the AT&T Foundation cannot accept contributions to the Fund that are earmarked for the benefit of a particular individual or family.

It is intended that contributions made to the disaster relief fund are eligible to be tax deductible to the donor as a charitable contribution.

4. Types of Assistance

The Fund may provide assistance to or for the benefit of eligible employees in multiple forms, and assistance may be both short-term and long-term, provided that assistance to or for the benefit of any one eligible employee shall not exceed \$25,000 per Qualified Disaster.

Fund assistance is for:

- a.) reimbursement or payment of reasonable and necessary personal, family, living, or funeral expenses incurred as a result of a Qualified Disaster; or
- b.) reimbursement or payment of reasonable and necessary expenses incurred for the repair or rehabilitation of a primary personal residence or replacement of its contents (not a secondary residence, vacation home, beach home, etc). You must own or live in the primary personal residence and the expenses must be incurred by you. Only one employee per household may apply for assistance (i.e, husband and wife employees are not both eligible to apply, friends living together, or other arrangements are not eligible). Only one address per application is eligible. The home must be in a county declared a federal disaster area for individual assistance by FEMA.

The Fund may provide emergency, short-term financial assistance to meet a variety of needs, including food, clothing, physical and mental health care, housing, transportation, education, and other basic necessities.

Short term assistance may be provided based on the following categories and amounts*:

- Minor Damage -- real and/or personal property damage is minor. Eligible employee may qualify for short term assistance of up to \$500, but in no event more than the value of the property damage.
- Major Damage -- real and/or personal property damage is major (e.g., residence is in need of repairs prior to being habitable). Eligible employee may qualify for short term assistance of up to \$1,500, but in no event more than the value of the property damage. Eligible employee could potentially qualify for long-term assistance depending on extent of damage.
- Destroyed -- real and/or personal property damage is destroyed (e.g., residence is totally destroyed and uninhabitable.) Eligible employee may qualify for short term assistance of up to \$3,000, but in no event more than the value of the destroyed property. Eligible employee also qualifies for long-term assistance.

** The amount of funds distributed may be adjusted in the sole discretion of the Distribution Committee based upon the Fund balance.*

The Fund may also be used to provide assistance with long-term financial needs. The determination of the amount, type, and beneficiaries of the assistance shall be made by the Distribution Committee, which shall have full and complete discretion within the guidelines set forth herein, but in no case will support to a single eligible employee exceed \$25,000 in combined short-term and long-term relief per Qualified Disaster.

Payments from the Fund are intended to qualify under Section 139 of the Internal Revenue Code of 1986, as amended, so that assistance from the Fund is not taxable to the employee and will not be included in the recipient's taxable income.

5. Distribution Committee

The Distribution Committee ("Committee") is responsible for reviewing requests for assistance, selecting recipients, and authorizing the disbursement of funds.

The Committee should consist of at least six members. No more than two members may be employees who are designated as officers or senior managers for compensation purposes. Up to two members of the Committee should be from the affected or nearby local community with knowledge of the employee base, the geography of the area and the impact of the disaster. Federal tax rules require that employees who are Committee members reflect a broad range of employees not limited to executives and that these employees act in a personal capacity as agents of the AT&T Foundation rather than as representatives of the Company. The Company shall indemnify employees acting in a personal capacity.

Core Committee Members

The Committee shall consist of representatives from any or all of the following organizations: Legal, Human Resources, External & Legislative Affairs, Finance and the Global Marketing Organization. The Core Committee Members shall name a back-up from their organization should they be unavailable for their commitment during a Qualified Disaster.

Local Committee Members

The Committee shall include up to two members from the local community that is affected or nearby the geographic area impacted by the disaster. Consideration should be given to include local Committee members referred by the External & Legislative Affairs organization and/or by the local impacted business group/human resources group.

Local Committee members shall serve during the term that the Fund is open with respect to the Qualified Disaster.

With respect to each Qualified Disaster, the Committee will be called to convene within seven (7) business days after the Fund is communicated as open, or after thirty-five (35) applications have been received with respect to the Qualified Disaster, whichever comes first. The Committee will meet periodically, or as needed, to review applications, identify employees who are eligible to receive relief from the Fund, and authorize disbursements from the Fund.

6. Request Form

An application requesting Qualified Disaster relief must be completed by or on behalf of each individual seeking assistance from the Fund. In addition to biographical and other basic information, the request form must describe the type of assistance sought (e.g., medical, housing, childcare, tuition), the amount of assistance requested, and the reasons assistance is sought (e.g., the type and value of damages/costs sustained as a result of the Qualified Disaster). The form must also elicit information and documentation regarding the applicant's personal financial circumstances and level of need and/or distress. The extent of the documentation required will depend upon the type and amount of assistance sought. Federal tax rules permit distribution of short-term assistance (such as blankets, hot meals, electric fans or coats, hats and gloves) without the detailed documentation required above.

Applications will be accepted for 8 weeks/2 months following the communications announcing the opening of the Fund with respect to a Qualified Disaster. The Fund will be closed after this two (2) month period, and no application submitted after the Fund is closed will be considered. Applications may be accepted via email or any other acceptable electronic format to begin the review process, but the signed, original application must be received by the Committee before Fund disbursement.

7. Evaluation and Selections of Recipients

Factors to be considered by the Committee in selecting recipients will include (i) the extent to which the applicant is needy or distressed at the time of the request as a result of the Qualified Disaster, (ii) the type of assistance sought (short-term vs. long-term), (iii) the amount requested, and (iv) the facts and circumstances of the individual's situation. Race, color, religion, national origin, gender, sexual orientation, gender identity, age, disability, marital status, citizenship status, military status, or veteran status shall not be considered a factor in the selection of recipients.

8. Distribution of Funds

Funds will be distributed to eligible employees only after approval is obtained from the Committee.
