STATEMENT 4 – Part III, Question 28, Form 990-EZ

The Association's sources of financial support are through solicitations made directly to the public, with special emphasis on those who are previous students of the Grafton, North Dakota public school system, to make financial contributions. These contributions can be directly from the alumni or as a memorial for a fellow classmate. Requests for such contributions are made through the Association's newsletter that is sent to all prior students of this public school system. Generally, such contributions are \$100.00 or less.

In addition, the Association sells bricks upon which names are engraved and then the bricks are installed within the "Wall of Bricks" located in the school building.

Further, the Association asks alumni to pay "dues" which funds are used to offset the cost of its newsletter. The "dues" are not a requirement of any alumni since membership of the Association is simply by having been a student or staff member within the Grafton public school system, as well as being an individual interested in the success of this public education system.
