Form 990-EZ, Part III, Line 20 - First Accomplishment

Name of the organization

Florida Tarpon Anglers Association

Employer identification number

46-0953832

We are a non-profit organization. The Florida Tarpon Anglers Association (FTAA) began after drastic moves by a few groups of left wing thinkers that want to influence the FWC and other governing body's into listening to their Peta type tactics. These groups are spreading propaganda in an attempt to change Tarpon rules for their own self-interest, not considering what is best for the fisherman in the State of Florida. Recreational anglers created the Florida Tarpon Anglers Association to combat these groups that are attempting to restrict the rights of all Tarpon fishermen. FTAA is participating in virtually every state fisheries debate that affects Tarpon fishing. We will defend our rights all the way to the Federal Court system. FTAA's legal defense fund is set up to defend and battle groups or organizations that try to restrict the right to catch Tarpon in the State of Florida. FTAA supports pro-fisheries legislation; and battle arbitrary no-fishing zones.

The FTAA network of members are engaged in hundreds of local and state projects that initiate scientific studies, fund marine-science scholarships, provide pass clean ups, create finfish hatcheries, initiate hydrologic and contaminant studies, monitor freshwater inflows, support local marine law enforcement, and much more.

With the support of a broad-based recreational angler support, a strong legal and legislative presence, decades of experience from its members, and an unwavering vision for the future of the State of Florida, FTAA will battle for the sustainable health of our coastal fisheries and for recreational anglers' interests.
