Purpose of Grant

The grant is for project support of the organization's I Am A Teacher(IAAT)series. The IAAT series is based on a trilogy of plays drawn from the teaching career and educational experiences of its author. The grant will support the production of the trilogy. This project is poised to evoke a national conversation about the type of teaching and learning currently emphasized in American schools. IAAT will stimulate and direct that conversation by raising issues regarding the way we teach and the way we evaluate learning.
