THE GRANT DEADLINES FOR 2013 WERE JANUARY 10, 2013 AND JUNE 6, 2013, AND THE DEADLINES FOR 2014 WERE JANUARY 9, 2014 AND JUNE 5, 2014.

Apply for Funding

Grantmaking

Each year the Foundation awards approximately 200 grants totaling \$6 million across four program areas:

- Education
- Healthy Communities
- Economic Security
- Strong Nonprofit Sector

In addition to grants in these four program areas, Meyer also invests in current grantees through the Management Assistance and Benevon programs.

General Eligibility Criteria

Before you apply for funding, we strongly suggest that you review the general eligibility criteria below, the program area descriptions that are relevant to your request, and the Frequently Asked Questions.

IRS Tax-Exempt Status

Meyer grantees must be nonprofit organizations with tax-exempt status under section 501(c)(3) of the Internal Revenue Code, and organized and operated for charitable purposes.

Geographic Location

Organizations must serve the people and communities of the Washington, DC metropolitan region, defined by the Foundation as:

- Washington, DC
- Montgomery and Prince George's counties, Maryland
- Arlington, Fairfax, and Prince William counties
- The cities of Alexandria, Falls Church, Manassas, and Manassas Park, Virginia

We Do Not Fund

- Government agencies
- For-profit business
- Scientific or medical research
- Special events or conferences
- Endowments
- Programs that promote religious doctrine
- Organizations outside of the Washington, DC metropolitan region, as defined above.

Letter of Inquiry Guidelines

Please be sure to have the following information, Letter of Inquiry (LOI), and required attachments on-hand **before** beginning your online application:

- Organization's Tax ID Number
- Name, address, email address and telephone number of the organization and appropriate contact person
- Executive director's name and contact information
- Amount you are requesting
- Brief summary of the request
- Organization's annual budget
- Year organization was founded
- Number of staff and volunteers

Letter of Inquiry

Your LOI, which should be no more than two pages, should include:

- A brief summary of your organization's history, mission, and recent accomplishments.
- An overview of your organization's work, including major programs and activities, the community needs you're working to address, the number of people you serve and their income levels, and the specific geographic area in which you operate.
- A description of the outcomes you are working to achieve, including how your work creates lasting improvements in the lives of low-income people in the Greater Washington region. If applying for project or program support, discuss how the project will work, how many people will be served, potential partners, anticipated outcomes specific to the project, and any funding already in place.

The letter should be signed by the executive director or project director.

Required Attachments

- Organization's current operating budget, including revenue and expenses.
- Financial statements, either audited or unaudited, for the most recently completed fiscal year. If these statements are unaudited, please also include your most recent audited financials.
- A list of your organization's current major funders and amounts committed or requested from each.
- A list of board members, including their terms of office and professional affiliations.
- For project requests, a proposed budget, including revenue and expenses and a list of funders and amounts committed and requested for the project.

Applications cannot be submitted without the letter of inquiry and required attachments.

Proposal Guidelines

If you are invited to submit a proposal, you should submit it via your Meyer online account at https://www.grantrequest.com/SID_891?SA=AM. Once logged in, you will see a link titled "Proposal for General Grantmaking." Please use this link to upload your proposal narrative and other required attachments. The Meyer Foundation **does not** accept the Washington Regional Association of Grantmakers Common Grant Application.

The **online application** will ask you to confirm the organization, contact, and request information you submitted with your Letter of Inquiry. In addition, it asks:

- How many volunteers are engaged with your organization.
- How your organization's work addresses the specific program priorities and outcomes described in the Foundation's guidelines.
- How many people your organization serves. (Include a breakdown that differentiates between those who have one-time interactions with your organization and those who are served over a longer period of time or in more substantive ways.)

Note: For project or program requests, please answer the questions above in the context of the individual project or program for which you are requesting funding. For general operating support requests, your responses should reflect the organization's programmatic work as a whole.

The online application will also ask:

- How many board members your organization has;
- How many board members make an annual personal financial contribution; and
- The total amount contributed by the board.

Proposal Narrative

In **up to five single-spaced pages**, the proposal narrative should answer the following questions:

1. How does your work create lasting improvements in the lives of low-income people in the Greater Washington region?
2. What programmatic outcomes is your organization working to achieve over the next year?
3. How do you measure impact?
4. What are your major organizational goals and challenges for the coming year? What steps are the board and staff taking to address these challenges? (Please do not repeat your response to previous questions.)

Required Proposal Attachments

1. Current internal balance sheet
2. Year-to-date statement of activities (preferably compared to budget)
3. An updated list of your organization's current major funders and amounts committed or requested from each
4. Other documents as requested by your program officer

Important! Final Report on Last Year's Grant (if applicable)

If your organization has a report due within the next several months on a regular (non-MAP) grant, please also submit an abbreviated final report narrative and attach the required financial documents. This will fulfill your upcoming report requirement.

If the grant has not been fully spent, please indicate so and we will consider this an interim report. We will prompt you to submit a final financial report at the original report deadline (but you will not need to submit another narrative). If you need a grant extension, please contact your program officer.

Final Report Narrative

In the context of the proposal you submitted before the grant was awarded, your report narrative should answer the following questions.

1. What outcomes have you achieved during the grant period? If you did not achieve your intended results, why not?
2. Do you have any evaluation or outcomes data to demonstrate your success? How are you using that information to improve your work?
3. Have there been any unanticipated changes in your organization or the project since the grant was awarded (including executive leadership, board, facilities, location)?
4. What important lessons (if any) have you learned during the grant period?

Final Report Financial Attachments

For general support grants:

- Statement of activities (sometimes called an income statement, or profit and loss statement) for the fiscal year(s) in which the grant was spent.
- Balance sheet (sometimes called a statement of financial position) for the fiscal year(s) in which the grant was spent.

For program or project support grants:

- The two items requested above, and
- A financial report that shows budgeted vs. actual income and expenses for the project or program during the grant period. *This report does not necessarily need to align with your organization's fiscal year, but should be consistent with the budget submitted with your original grant request.*
