Part X - FIN 48 Footnote

The Foundation adopted the provisions of FASB ASC 740-10-25, which require that a tax position be recognized or derecognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. In accordance with the interpretation, the Foundation must disclose the expected future tax consequences of uncertain tax positions presuming the taxing authorities' full knowledge of the facts of the Foundation's position and records unrecognized tax benefits or liabilities for known, or anticipated tax issues based on the Foundation's analysis of whether additional taxes would be due to the authority given their full knowledge of the tax position. The Foundation has determined that there were no tax positions which would require recognition under the interpretation. The Foundation's income tax returns for years since 2009 remain open for examination by tax authorities.
