We provide small grants in Turkmenistan (up to \$4,000) to civil society organizations. We monitor the grants by requiring that the recipients sign a grant agreement once they have been awarded a grant. We also require that they provide a narrative and financial report upon completion of the project, and they submit not only the report, but also all receipts. Our consultant inside the country works with them to be sure that they comply with all requirements and then sends us all the documentation.
