GRANT POLICIES

1. General

The policies stated below govern the making of grants by The Fickling Family Foundation. The mandatory policies listed below cannot, for legal or other reasons, be varied. Discretionary policies described below may be varied only under rare and specific circumstances, and variance should not be considered as setting a precedent for future grants. The Foundation reserves the right to revise any policy, whether mandatory or discretionary, from time to time as circumstances warrant.

2. Mandatory Policies

- (a) Grants will be made only to organizations that are qualified under Section 501(c)(3) of the Internal Revenue Code to receive charitable contributions and that are organizations to which charitable contributions may be made under the provision of Section 170(c) of the Internal Revenue Code as such sections are modified by Section 2055(a) and 2522(a) of the Internal Revenue Code.
- (b) Grants will be made only to such organizations as are described in paragraph (a) above, which furnish documentation satisfactory to the Foundation that they are so qualified.
- (c) Grants will not be made to individuals.
- (d) Grants will not be made to private foundations.
- (e) Recipients of grants will be required to make timely and adequate reports certifying how and when grant funds are expended and what goals were attained as a result of the grant.
- (f) No subsequent grant will be made to a grantee who has failed to comply with the reporting requirements set out in paragraph (e) above.
- (g) All communications to the Foundation must be in writing and addressed to the Foundation.

3. Discretionary Policies

- Priority will be given to the award of grants that will be expended in, and are for the benefit of, Macon and Bibb County, Georgia. The Trustees prefer to make grants only to those organizations having a substantial presence in Bibb County, Georgia. Unsolicited proposals from out-of-state organizations will not be considered. Because of the volume of proposals received, even many worthwhile proposals must be denied. This policy, however, does not preclude the Foundation from initiating requests for proposals where, in the judgment of the Trustees, a qualified prospective grantee performs functions that are deemed particularly worthy of a grant.
- (b) Grants should aid the accomplishment of long-range and lasting purposes.
- (c) Favor will be given to projects that are contingent upon being supplemented by other organizations or individuals.
- (d) No Grant will be made that requires the setting aside of current funds to be paid over a period of years in the future, because such grants require prior approval by the Internal Revenue Service.
- (e) The Foundation reserves the right to attach conditions to grants as circumstances warrant.
- (f) Grant proposals should be submitted by November 1. The Foundation usually meets annually in November or December.
