Section A—Allocation and Capitalization Methods

Attach a description (including sample computations) of the present and proposed method(s) the applicant uses to capitalize direct and indirect costs properly allocable to real or tangible personal property produced and property acquired for resale, or to allocate and, where appropriate, capitalize direct and indirect costs properly allocable to long-term contracts. - 2 The method of allocating mixed service costs (i.e., direct reallocation, step-allocation, simplified service cost using the labor-based allocation ratio, simplified service cost using the production cost allocation ratio, or other reasonable allocation method).
- 3 The method of capitalizing additional section 263A costs (i.e., simplified production with or without the historic absorption ratio election, simplified resale with or without the historic absorption ratio election including permissible variations, the U.S. ratio, or other reasonable allocation method).

Section B—Direct and Indirect Costs Required To Be Allocated

GEORGE SNOW SCHOLARSHIP FUND, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 – ORGANIZATION AND DESCRIPTION OF BUSINESS

The accompanying consolidated financial statements for the year ended December 31, 2012 represent those of the George Snow Scholarship Fund, Inc. ("GSSF") and its wholly owned subsidiary, GSSF Services, LLC ("GSSFS") (collectively, the "Organization"). GSSF is a non-profit organization incorporated in the State of Florida in 1981. GSSF is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. The purpose of the Organization is to provide educational grants to the deserving young people of Palm Beach and Northern Broward Counties of Florida. The Organization administers scholarships for other individuals, corporations and organizations. GSSFS is a single member LLC formed under the laws of the State of Florida on February 27, 2012. GSSFS has been created and maintained for the sole purpose of housing scholarship fund assets for the purpose of shielding GSSF from potential liability related to these assets.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements include the consolidated amounts of GSSF and GSSFS. These entities collectively are referred to as the "Organization." All significant intercompany transactions have been eliminated in consolidation.

Financial Statement Presentation

The Organization's consolidated financial statements are prepared on the accrual basis of accounting in accordance with Generally Accepted Accounting Principles in the United States of America ("GAAP"). The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted Net Assets – not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by the actions of the Board of Directors.

Temporarily Restricted Net Assets – subject to donor-imposed stipulations that may be fulfilled by the actions of the Board of Directors or become unrestricted at the date specified by the donor.

Permanently Restricted Net Assets – subject to donor-imposed stipulations that are to be maintained permanently.

Management estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and judgments that affect the reported amount of assets and liabilities and disclosures of contingencies at the date of the consolidated financial statements and the reported amounts of revenues and expenses recognized during the reporting period. Actual results may differ from those estimates.

Bequests

The Organization is a beneficiary under various wills and trust agreements. Related amounts are recorded either when a will is declared valid by a probate court, or when the Organization is notified as a beneficiary of a trust and the amounts are measurable.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods (time restriction) or are restricted by the donor for specific purposes (purpose restriction) are reported as temporarily restricted or permanently restricted support that increases the respective net asset classes.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Contributions, continued

When a donor restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restriction. If a restriction is fulfilled in the same time period in which the contribution is received, the contribution is reported as unrestricted.

Fund Raising

The Organization's consolidated financial statements are presented in accordance with Accounting Standard Codification 958 ("ASC"), *Accounting for Costs of Activities of Not-for-Profit Organizations and State and Local Government Entities that include Fund Raising*. The ASC establishes criteria for accounting and reporting for any activity that solicits contributions.

Special Events

The Organization recognizes special event income in the year the event occurs. Special event income is reflected net of its related expenditures.

Cash and cash equivalents

Cash and cash equivalents include all monies in banks and money market funds. Cash equivalents include highly liquid securities with a maturity of ninety days or less when acquired.

Valuation of Investments at Fair Value

The Organization measures its financial assets at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

The Organization follows a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Organization. Unobservable inputs reflect the Organization's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

- Level 1:* Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 securities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.
- Level 2:* Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3:* Valuation based on inputs that are unobservable and significant to the overall fair value measurement.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Property and depreciation

Property and equipment are stated at cost if purchased or fair value if contributed. Depreciation is provided over the estimated useful lives ranging from five to fifteen years on the respective assets on a straight-line basis.

Major replacements and betterments of buildings, building improvements and equipment are capitalized while repairs and minor replacements are charged to operations.

Fair value of financial instruments

The carrying amount of the Organization's financial instruments, which include cash and cash equivalents, accrued expenses, and other assets and liabilities, approximate their fair values due to their short-term maturities.

Income Taxes

GSSF is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and Chapter 220.13 of the Florida Statutes. The Fund has been classified as a publicly supported organization that is not a private foundation under Section 509(a) of the Code. Accordingly, there is no provision for income taxes.

GSSF is a limited liability company and as a result, income tax liabilities are passed through to GSSF, its sole member.

The Organization has adopted FASB ASC 740-10-25, Accounting for Uncertainty in Income Taxes. The Organization will record a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by the taxing authority. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

The Organization's evaluation on December 31, 2012 revealed no uncertain tax positions that would have material impact on the financial statements. The Organization is not subject to examination by income tax authorities for periods prior to 2010. The Organization does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

Endowment Funds

Permanently restricted net assets at December 31, 2012 consist of five (5) endowment funds. Temporarily restricted net assets at December 31, 2012 consist of one (1) endowment fund established to support scholarships and two (2) quasi endowment funds established to support scholarship and award program services. Endowment fund contributions mostly are subject to donor restrictions that stipulate that the principal amount be held and indefinitely invested by the Organization, with the investment earnings available for scholarship and award program services. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

GEORGE SNOW SCHOLARSHIP FUND, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Endowment Funds, continued

The Organization has established endowment investment and cashflow policies that attempt to subject endowed funds to low investment risk and provide its scholarship and award program services from current income. Endowment assets are invested in cash equivalents, certificates of deposit, mutual funds, fixed income securities and stock. The Organization seeks to build endowment assets through additional contributions. The Organization has a policy of appropriating for distributions each semester based on the endowment funds' investment income from the previous year that is not permanently restricted, and the Organization generally expends either all or a portion of the endowment funds' investment income for scholarship program services each semester in the fiscal year following receipt. The Organization's current cashflow policy is not expected to allow the Organization's endowment funds to grow due to market investment returns. This is consistent with the Organization's objectives to provide income for its scholarship's program, preserve endowment asset values without subjecting them to substantial risk, and provide additional real growth through new gifts.

Date of Management's Review

The Organization evaluated events and transactions for potential recognition or disclosure in the consolidated financial statements through November 8, 2013, which is the date the consolidated financial statements were available to be issued.

NOTE 3 – PRIOR PERIOD ADJUSTMENT

During 2012, \$40,000 was reclassified from permanently restricted net assets to temporarily restricted net assets, as the amount was previously misclassified. The amount has been corrected to reflect its proper classification as a quasi endowment.

NOTE 4 – CONCENTRATION OF CREDIT RISK

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, from December 31, 2010, through December 31, 2012, all funds in "non-interest-bearing transaction accounts" are insured in full by the FDIC. This unlimited coverage is in addition to, and separate from, the coverage of at least \$250,000 available to depositors under the FDIC's general deposit insurance rules. During December, the Organization liquidated certain of its investments as part of a change of its Investment Advisor, effective January 3, 2013. As a result, the Organization had \$784,041 of funds in excess of FDIC insured limits at December 31, 2012.

NOTE 5 – PROPERTY AND EQUIPMENT

Property and equipment consisted of the following as of December 31, 2012:

Computer equipment	\$	14,126
Furniture and fixtures		22,904
Leashold improvements		18,243
Other Equipment		15,900
		<hr/>
		71,173
Less accumulated depreciation		(34,714)

The endowment assets consist of donor-restricted funds and board designated funds. As required by GAAP, net assets associated with endowment funds are classified based on the existence or absence of donor-imposed restrictions.
