Notice Regarding Handling of Block Orders under FINRA's Front Running Rule

Due to changes occurring this year to the Financial Industry Regulatory Authority's (FINRA) Rule 5270 regarding Front Running of Block Transactions, we are required to provide clients with the following information concerning the placing of block trading orders and how those block orders are handled: Morgan Stanley Smith Barney LLC and its trade routing destinations may trade principally at prices that would satisfy your block trading order when the principal trades are unrelated to your block order. When the principal trades are not unrelated, we or our trade routing destinations may trade principally ahead of, or alongside, your block order for the purpose of fulfilling, or facilitating the execution of, your order. For these orders you may instruct us that you do not wish us or our trade routing destinations to trade principally ahead of, or alongside, your order. However, such instruction will limit the range of execution alternatives that we are able to offer.

A copy of Rule 5270 can be obtained at www.finra.org. Please contact your Morgan Stanley Financial Advisor if you require more information regarding how your block orders are handled.
