The items listed above have been provided to help the applicant determine the types of gifts that do not qualify under the program but do not represent all ineligible gifts.

How do I participate?

- » Complete part 1 of this form and send it with your gift to the educational institution (do not send cash).
- » The educational institution must complete part 2 of the form and return it to the NextEra Energy Foundation with the requested information within one year of the date that the gift is provided to the school.
- » The Matching Gifts Administrator will review the form for completeness and eligibility and will advise the applicant if the gift cannot be processed for any reason.
- » The NextEra Energy Foundation will process matching gifts on a quarterly basis. All applicants will be advised when their contribution has been matched. The educational institution will be provided with the list of names of those whose gifts are being matched. The NextEra Energy Foundation reserves the right to request proof of employee gifts.

Questions relating to the interpretation, application, administration of the program or list of eligible institutions should be directed to the Program Administrator at (305) 552-4090 whose decisions regarding the Program will be final. The Program may be changed, suspended or discontinued at any time by the NextEra Energy Foundation. This form is for eligible participants only and should not be given directly to educational institutions for employee fund raising solicitations.
