See "About your account" page for detailed information.

***General Wash Sale Rule:** A loss from the sale or disposition of stock or securities is not immediately deductible if, within a period beginning 30 days before the date of the sale and ending 30 days after the date of the sale, the taxpayer acquires substantially identical stock or securities. See "About your account" page for more information.

Covered securities represent shares acquired after certain effective dates mandated by new IRS regulations. USAA is required to report basis related information to the IRS on Form 1099-B, along with gross proceeds, on the sale of these securities. On your statement, USAA denotes covered securities with a "c."

Noncovered securities represent shares acquired before certain effective dates mandated by new IRS regulations. For shares that were acquired before the new law, USAA will not report to the IRS any basis related information on the sale of these securities but will continue to provide basis information to assist members in compiling tax information. On your statement, USAA denotes noncovered securities with an "n."
