Accordingly, no provision has been made for income taxes. Management has determined that there are no uncertain tax positions that would require recognition in the financial statements. If the Organization were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax would be reported as income taxes. Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based on ongoing analysis of tax laws, regulations, and interpretations thereof as well as other factors. Generally, tax returns may be examined for three years from the filing date and the current and prior three years remain subject to examination as of December 31, 2013.
