| Schedule J, Part I, Line 3 - CEO Compensation              | During the year, the office of President was vacant. The interim president was paid by a related 501(c)(3) organization, Texas Health Resources (THR) with centralized compensation professionals to use the following methods to establish the compensation of the organization's President: * THR has a compensation committee comprised of external Board Members that review compensation philosophy and design; * THR Board hired independent compensation consultants; * THR & the independent compensation consultants utilize published third-party compensation surveys. An independent third party compensation consultant is hired by the THR Board of Trustees (Board) to review base pay annually as compared to a peer group of employers similar in size and scope to THR. Every three years the independent compensation consultant reviews all aspects of executive compensation (base, incentives, benefits, etc.) which includes: * Review and confirmation of the executive compensation philosophy; * Market review of base and incentive pay for all positions. National, regional, and local data is reviewed when available; * Market review of benefits and perquisites; * Interview of selected officers and members of the Governance Committee (Compensation Committee) of the THR Board of Trustees, and * Review of financial reports, job descriptions, organizational charts, current salaries, incentive opportunities, incentive payments, benefits, perquisites and plan documents. The independent compensation consultant meets directly with the executive compensation & benefits sub-committee which is made up of six independent Board members and the governance committee to report the results of the total compensation study. At the beginning of each year, the executive compensation & benefits sub-committee and the governance committee review a detailed report containing the below information. The Board reviews an executive summary of the detailed report. * Market analysis based on the results of the outside consultant's review; * Officer base salary adjustments including merit and market/equity adjustments; * Prior year executive annual incentive awards; * Current year executive annual incentive plan targets, key performance indicators and potential payout amounts. |
| Schedule J, Part I, Line 4b - Nonqualified Retirement Plan | Participation in the plan is made available to a select group of management and highly compensated employees, as determined by the THR Board of Trustees, who are providing services to an employer in key positions of management and responsibility. Benefits are calculated for eligible employees when base pay and incentives exceed the IRS qualified plan compensation limit. SERP benefits vest while the participant is employed if the participant reaches age 65, becomes disabled, dies, or reaches the following years of service: 2 years - 25%, 3 years - 50%, 4 years - 75%, and 5 or more - 100%. For Frozen Restoration Accounts (account balances prior to 1/1/2010), the participant or beneficiary shall be taxed on his or her vested SERP benefits upon the earliest of: * Remaining employed by THR to age 68; * Termination of employment for disability or death; * Involuntary termination of employment without reasonable cause, or * Satisfying a 24 month non-compete period following his or her termination of employment. Payment is made following the before mentioned events, except in the case of involuntary separations for which the participant must wait until after 24 months to receive the previously taxed benefit. For the Active Restoration Account (account balances after 12/31/2009) participants must be employed on Dec 1 to qualify for the current year's SERP amount unless separation is due to death, disability, retirement (age 65) or early retirement (separation from service at or after age 55 with 75 years of combined age and continuous service with the System). SERP amounts are calculated each Dec 1, vested balances are taxed, and the net balances can begin accruing earnings. Vested balances are paid in cash lump sums within the 90 day period commencing upon the earlier of death, disability, or separation from service. THR owns any investments purchased in connection with its obligations under the SERP Plan. If THR becomes insolvent, executives are unsecured creditors and will have no preferred claim to any assets. Payments to the following employees were made during the year. The amounts below are included in the amount reported on Sch J, Part II, Column B(III) and Column (F): Stephen Hanson \$87,829.                             |
