Part V, Line 4	The Organization's permanently restricted net assets consist of 77 individual endowment accounts. Unless otherwise directed by the donor, gifts received for endowment accounts are invested consistent with Houston Methodist Hospital's approved investment policy. Unless otherwise directed by the donor, the Foundation has a policy of annually appropriating a certain percentage of each endowment account, which is then available to be spent consistent with donor intent. In order to preserve the real value of a donor's gift and to sustain funding consistent with donor intent, the annual appropriation rate is set to strike a reasonable balance between long-term objectives of preserving and growing each endowment fund for the future and providing stable, year-to-year appropriation amounts.
Part X, Line 2	Houston Methodist Hospital Foundation's financial statements are included in the consolidated financial statements of Houston Methodist Hospital (HMH), which are audited by an independent accountant. HMH did not recognize any adjustments related to uncertain tax positions as of December 31, 2013.

Schedule J, Part I, Line 3	The CEO of this organization is employed by a related organization who utilized the following items to establish compensation: (1) compensation committee, (2) independent compensation consultant, (3) compensation survey or study, (4) approval by the board or compensation committee.
Schedule J, Part I, Line 4a	Houston Methodist Hospital has a formal severance plan. Eligible employees include all staff including hourly staff up through senior vice presidents provided they work at least 20 hours per week and are not otherwise covered by a physician employment agreement. The plan only provides salary and benefits in the event an eligible employee is involuntarily terminated due to the elimination of their position or if their current position is significantly impacted by an organizational restructuring or change in requirement and a comparable position is not available within the organization. The eligible person must also sign a termination agreement in order to receive salary continuation and benefits under the plan to which they would not normally be eligible to receive under a voluntary resignation.
Schedule J, Part I, Line 4b	Marc L Boom \$167,652, Ramon Cantu \$79,295, Edward L Tyrrell \$23,300, and Susan Coulter \$90,307, were all current year contributions made to the Supplemental Executive Retirement Plan (SERP) described below. The SERP is a non-qualified employer funded plan. Contributions are made annually into a tax-deferred account and are considered taxable upon vesting (i.e., completion of three years of vesting service). Once vested, each year's subsequent contribution is taxable within the calendar year in which the deposit was made. Account balances cannot be accessed until retirement or termination (whichever occurs first) and may be subject to non-revocable distribution options selected upon employment.
Schedule J, Part I, Line 7	This organization provides a variable compensation opportunity through an annual management incentive plan. A percentage of the potential bonus payout (paid as a percent of base salary) is based on whether the individual attains certain goals for their area of responsibility as determined by their immediate supervisor.
