FORM 990, PART VI, SECTION B, LINE 15A & 15B	In 2013 the Board of Trustees reviewed and discussed the compensation package recommended by the Executive Committee and compensation data compiled regarding the CEO's compensation. Various factors were considered including CEO's performance reviews, compensation data obtained from various recruiters and non-profit resources for similarly situated charitable organizations in the San Francisco Bay Area and nationally, historical compensation and the need for the organization to have a technical leader. The board then approved and proposed a compensation package which it deemed justified based on these factors. The CEO determines compensation of other officers and key employees of the organization. This is done with the help of outside salary survey data from other non-profit organizations, networking with executives from other not-for-profit organizations, and within the ABI budget constraints. In addition there is a compensation committee and internal procedures require that all new salaries and any salary changes for officers and key employees must be approved by the Compensation Committee.
