  - c** If the applicant is filing under the advance consent provisions of Rev. Proc. 97-27, the information required by section 8.03(2)(a)-(f) of Rev. Proc. 2004-34.
- 2** If the applicant is requesting to change to the deferral method for advance payments described in Regulations section 1.451-5(b)(1)(ii), attach the following:
  - a** A statement explaining how the advance payments meet the definition in Regulations section 1.451-5(a)(1).
  - b** A statement explaining what portions of the advance payments, if any, are attributable to services, whether such services are integral to the provisions of goods or items, and whether any portions of the advance payments that are attributable to non-integral services are less than five percent of the total contract prices. See Regulations sections 1.451-5(a)(2)(i) and (3).
  - c** A statement explaining that the advance payments will be included in income no later than when included in gross receipts for purposes of the applicant's financial reports. See Regulations section 1.451-5(b)(1)(ii).
  - d** A statement explaining whether the inventoriable goods exception of Regulations section 1.451-5(c) applies and if so, when substantial advance payments will be received under the contracts, and how the exception will limit the deferral of income.

**Schedule C - Changes Within the LIFO Inventory Method** (see instructions)**Part I General LIFO Information**

Complete this section if the requested change involves changes within the LIFO inventory method. Also, attach a copy of all **Forms 970, Application To Use LIFO Inventory Method**, filed to adopt or expand the use of the LIFO method.

- 1** Attach a description of the applicant's present and proposed LIFO methods and submethods for each of the following items
  - a** Valuing inventory (e.g., unit method or dollar-value method)
  - b** Pooling (e.g., by line or type or class of goods, natural business unit, multiple pools, raw material content, simplified dollar-value method, inventory price index computation (IPIC) pools, vehicle-pool method, etc.)
  - c** Pricing dollar-value pools (e.g., double-extension, index, link-chain, link-chain index, IPIC method, etc.)
  - d** Determining the current-year cost of goods in the ending inventory (i.e., most recent acquisitions, earliest acquisitions during the current year, average cost of current-year acquisitions, or other permitted method)
- 2** If any present method or submethod used by the applicant is not the same as indicated on Form(s) 970 filed to adopt or expand the use of the method, attach an explanation.
- 3** If the proposed change is not requested for all the LIFO inventory, attach a statement specifying the inventory to which the change is and is not applicable.
- 4** If the proposed change is not requested for all of the LIFO pools, attach a statement specifying the LIFO pool(s) to which the change is applicable.
- 5** Attach a statement addressing whether the applicant values any of its LIFO inventory on a method other than cost. For example, if the applicant values some of its LIFO inventory at retail and the remainder at cost, identify which inventory items are valued under each method.
- 6** If changing to the IPIC method, attach a completed Form 970.

**Part II Change in Pooling Inventories**

- 1** If the applicant is proposing to change its pooling method or the number of pools, attach a description of the contents of, and state the base year for, each dollar-value pool the applicant presently uses and proposes to use.
- 2** If the applicant is proposing to use natural business unit (NBU) pools or requesting to change the number of NBU pools, attach the following information (to the extent not already provided) in sufficient detail to show that each proposed NBU was determined under Regulations section 1.472-8(b)(1) and (2):
  - a** A description of the types of products produced by the applicant. If possible, attach a brochure.
  - b** A description of the types of processes and raw materials used to produce the products in each proposed pool.
  - c** If all of the products to be included in the proposed NBU pool(s) are not produced at one facility, state the reasons for the separate facilities, the location of each facility, and a description of the products each facility produces.
  - d** A description of the natural business divisions adopted by the taxpayer. State whether separate cost centers are maintained and if separate profit and loss statements are prepared.
  - e** A statement addressing whether the applicant has inventories of items purchased and held for resale that are not further processed by the applicant, including whether such items, if any, will be included in any proposed NBU pool.
  - f** A statement addressing whether all items including raw materials, goods-in-process, and finished goods entering into the entire inventory investment for each proposed NBU pool are presently valued under the LIFO method. Describe any items that are not presently valued under the LIFO method that are to be included in each proposed pool.
  - g** A statement addressing whether, within the proposed NBU pool(s), there are items both sold to unrelated parties and transferred to a different unit of the applicant to be used as a component part of another product prior to final processing.
- 3** If the applicant is engaged in manufacturing and is proposing to use the multiple pooling method or raw material content pools, attach information to show that each proposed pool will consist of a group of items that are substantially similar. See Regulations section 1.472-8(b)(3).
- 4** If the applicant is engaged in the wholesaling or retailing of goods and is requesting to change the number of pools used, attach information to show that each of the proposed pools is based on customary business classifications of the applicant's trade or business. See Regulations section 1.472-8(c).

**Part III Method of Cost Allocation** (Complete this part if the requested change involves either property subject to section 263A or long-term contracts as described in section 460 (see instructions))

**Section A - Allocation and Capitalization Methods**

Attach a description (including sample computations) of the present and proposed method(s) the applicant uses to capitalize direct and indirect costs properly allocable to real or tangible personal property produced and property acquired for resale, or to allocate and, where appropriate, capitalize direct and indirect costs properly allocable to long-term contracts. Include a description of the method(s) used for allocating indirect costs to intermediate cost objectives such as departments or activities prior to the allocation of such costs to long-term contracts, real or tangible personal property produced, and property acquired for resale. The description must include the following:

- 1 The method of allocating direct and indirect costs (i.e., specific identification, burden rate, standard cost, or other reasonable allocation method)
- 2 The method of allocating mixed service costs (i.e., direct reallocation, step-allocation, simplified service cost using the labor-based allocation ratio, simplified service cost using the production cost allocation ratio, or other reasonable allocation method)
- 3 The method of capitalizing additional section 263A costs (i.e., simplified production with or without the historic absorption ratio election, simplified resale with or without the historic absorption ratio election including permissible variations, the US ratio, or other reasonable allocation method)

**Section B - Direct and Indirect Costs Required To Be Allocated**

Check the appropriate boxes showing the costs that are or will be fully included, to the extent required, in the cost of real or tangible personal property produced or property acquired for resale under section 263A or allocated to long-term contracts under section 460. Mark "N/A" in a box if those costs are not incurred by the applicant. If a box is not checked, it is assumed that those costs are not fully included to the extent required. Attach an explanation for boxes that are not checked.
