AMENDED BYLAWS OF ALBERT VICTOR RAVENHOLT FUND

ARTICLE 1 MEMBERSHIP

The corporation shall have no members.

ARTICLE 2 BOARD OF DIRECTORS

- Section 2.1 Powers. The affairs of the corporation shall be managed by the board of directors.
- Section 2.2 Number and Term. The number of directors of the corporation shall be three (3). The board of directors, by amendment of these Bylaws, may increase or decrease the number of directors, provided that no decrease in number shall have the effect of shortening the term of any incumbent. Each director shall hold office for a term of one (1) year, and until his or her successor shall have been elected and qualified.
- Section 2.3 Committees. The board of directors, by resolution adopted by a majority of the directors in office, may designate and appoint committees of the board. Any such committee shall consist of two (2) or more directors and shall have and exercise such authority of the board of directors in the management of the corporation as may be specified in said resolution. However, no such committee shall have the authority of the board of directors to amend, alter or repeal the Bylaws; elect, appoint or remove any member of any such committee or any director or officer of the corporation; amend the Articles of Incorporation; adopt a plan of merger or adopt a plan of consolidation with another corporation; authorize the voluntary dissolution of the corporation or revoke proceedings therefor; adopt a plan for the distribution of the assets of the corporation not in the ordinary course of business; or amend, alter or repeal any resolution of the board of directors which by its terms provides that it shall not be amended, altered or repealed by such committee. The designation and appointment of any such committee and the delegation of authority to it shall not operate to relieve the board of directors or any individual director of any responsibility imposed upon it, him or her by law.
- Section 2.4 Election. After the first annual meeting, the member or members of one class of directors shall be elected at each annual meeting of the board by majority vote of the board, to hold office until the expiration of the term of office of the class of directors into which elected, and until his, her or their respective successors are elected and qualified; provided, however, that each of the initial directors of the corporation named in its Articles of Incorporation may designate a successor director to assume his or her position on the board of directors in a document to be signed by all of the directors then in office which shall become effective upon the initial director's resignation, death, or incapacity.
- Section 2.5 Removal. Any director may be removed by a majority vote of the board of directors whenever in its judgment the best interests of the corporation will be served thereby.

Section 2.6 Vacancies. The board of directors shall have the power to fill any vacancy occurring in the board and any directorship to be filled by reason of an increase in the number of directors by amendment to these Bylaws. Any director elected to fill a vacancy shall be elected or appointed for the unexpired term of his or her predecessor in office.

ARTICLE 3 MEETING OF BOARD OF DIRECTORS

- Section 3.1 Annual Meetings. The annual meeting of the board of directors for election of directors to succeed those whose terms expire, and for the transaction of such other business as may properly come before the meeting, shall be held each year at the registered office of the corporation, or at such other location as the board of directors shall determine, on the last Wednesday in April.
- Section 3.2 Special Meetings. Special meetings of the board of directors may be held at any place and time, whenever called by the president, secretary, or any two (2) directors.
- Section 3.3 Notice of Meetings. Notice of the time and place of any special meeting of the board of directors shall be given by the secretary, or by the director or directors calling the meeting, by regular or express mail, private carrier, personal delivery, email, electronic network posting, facsimile, telegram, teletype, or by personal communication over the telephone or otherwise, at least three (3) days prior to the date on which the meeting is to be held. Neither the business to be transacted nor the purpose of any meeting of the board of directors need be specified in the notice or any waiver of notice of such meeting.
- Section 3.3.1 Consent to Notice By Email. If notice is provided to directors by email, it is effective only with respect to directors who have: (a) consented in writing or by email to receive notices transmitted by email; and (b) designated in the consent the message format that is accessible to the recipient, and the address, location, or system to which these notices may be emailed. A director who has consented to receipt of emailed notices may revoke the consent by delivering (by mail, facsimile or email) a revocation to the corporation. The consent of any director is revoked if the corporation is unable to transmit by email two (2) consecutive notices given by the corporation in accordance with the director's consent, and this inability becomes known to the secretary of the corporation or other person responsible for giving the notice. The inadvertent failure by the corporation to treat this inability as a revocation does not invalidate any meeting or other action.
- Section 3.3.2 Delivery of Notice By Email. Notice provided by email to a director who has consented to receive notice by such means is effective when it is emailed to an address designated by the recipient for that purpose.
- Section 3.3.3 Delivery of Notice By Posting to Electronic Network. The corporation may provide notice of the time and place of any special meeting of the board of directors by posting the notice on an electronic network (such as a listsery), provided that the corporation also delivers to the director notice of the posting by mail, facsimile, or email (pursuant to the recipient's consent to receive notices by email), together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

Section 3.3.4 Delivery of Notice By Other Means. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the director at his or her address as it appears on the records of the corporation, with postage thereon prepaid. Other forms of notice described in this section are effective when received.

Section 3.3.5 Effect of Attendance at Meeting. Attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where the director attends a meeting for the purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 3.4 Quorum. A majority of the board of directors shall constitute a quorum for the transaction of business except as otherwise provided by law. The act of the majority of directors present at a meeting at which a quorum is present shall be the act of the board of directors. At any meeting of the board of directors at which a quorum is present, any business may be transacted, and the board may exercise all of its powers. A director who is present at such a meeting shall be presumed to have assented to the action taken at that meeting unless the director's dissent or abstention is entered in the minutes of the meeting, or unless the director delivers (personally, or by mail, facsimile or email) his or her dissent or abstention to such action to either the person acting as secretary of the meeting before the adjournment of the meeting, or to the secretary of the corporation immediately after the adjournment of the meeting, which dissent or abstention must be in writing or in an email. The right to dissent or abstain shall not apply to a director who voted in favor of such action.

Section 3.5 Meetings Held by Telephone or Similar Communications Equipment. Members of the board of directors or its committees may participate in a meeting of the board or such committees by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time and participation by such means shall constitute presence in person at a meeting.

ARTICLE 4 ACTIONS BY WRITTEN CONSENT

Any corporate action required or permitted by the Articles of Incorporation or Bylaws, or by the laws of the State of Washington, to be taken at a meeting of the board of directors (or its committees) of the corporation, may be taken without a meeting if a consent in writing or by email transmission setting forth the action so taken shall be executed (as defined herein) by all of the directors entitled to vote with respect to the subject matter thereof. Such consent shall have the same force and effect as a unanimous vote, and may be described as such. For purposes of the Bylaws, "executed" means: (a) writing that is signed; or (b) an email transmission that is sent with sufficient information to determine the sender's identity.

ARTICLE 5 WAIVER OF NOTICE
