Lifeline of Hope has very strict policies and procedures in regards to the use of grant funds.

The first step of the procedures in keeping with the policies, is the RFI to the children's home in the foreign country.

The RFI requires proof of NGO status, and a volume of other information, including a proposed budget for the home,

profiles of all of the children, a list of caregivers, Directors, etc. that includes qualifications. The next step is a surprise

visit to the children's home in which all information supplied in response to the RFI is verified, including the presence

of each child for each profile. The children are interviewed separate from the staff of the home and asked specific

questions to verify their status as an orphan, their residency in the home, required education status, general health

and well being, etc., etc. If the home passes the surprise inspection and are approved for funding, the Children's Home

Management team at Lifeline of Hope Corporate offices, works with the home to fine tune and create a realistic budget

for the children's home. Once complete, and all other criteria is approved, funds are sent monthly, either through wire

transfer or Western Union. The Director of the home is required to mail or scan and email receipts for all goods and

services purchased, which in turn, must match the budget line items in each submitted monthly budget and grant

request. All receipts are maintained in hard and / or electronic files at Lifeline of Hope Corporate offices. Surprise

inspections are conducted on a regular basis each calendar year, but are always unannounced to verify the proper

use of funds, adherence to Children's Homes Management policies, as well as all criteria investigated in the initial visit.

All of the children's homes and their respective financial records are inspected by local government officials as well.

The above statement applies to all children's homes outside of Russia. In Russia, we have established two separate

registered non-profit entities. One is in the Barnaul region, the other is in Khabarovsk Krai. Each has it's own Russian

Director and facilitators. Each maintains records for the orphanages given aid and supplies Lifeline of Hope with
