1) Provide basic seminars teaching participants “the Silva Method”; The Silva Life Systems seminar and The Silva Intuition Training Seminar. The Silva Method is a series of mind exercises and meditation that help you: solve problems, sleep better, remember things, stay awake better, relive headaches, enhance perception, etc. Results may include realization of dreams and achievement of goals.

Conduct weekly or bi-weekly one-hour meditation sessions that are relaxing and healing and that promote deep levels of inner awareness. Provide guided visualization sessions for realization, healing and inner awareness. Provide Biofeedback training using multiple techniques. These activities further the purpose of the Foundation to educate the public about certain alternative relaxation, healing and self-improvement techniques.

Income derived from engaging in the above activities is primarily fees based on attendance. In addition, the company may receive contributions from organizational and/or individual donors.

2) Facilitate educational seminars on the Appreciative Inquiry-Discipline of Positive Change and related techniques to Section 501(c)(3) organization via hiring of consultant to run the seminars.
