990 Part XII line 1

Explanation: The Association's policy is to prepare its financial statements on the modified cash basis of accounting. Under this basis, revenue is recognized when collected rather than when earned, and expenditures are generally recognized when paid rather than when incurred. Property and equipment with lives extending beyond one year are capitalized and depreciation of these assets is recognized as an expense. Liabilities arising from payroll withholdings and refundable deposits are recorded on the statements of assets, liabilities and fund balance. Investments in marketable securities with readily determinable fair values are carried at fair market value, which is an exception to the modified cash basis of accounting. Investments are typically carried at cost under the modified cash basis of accounting.

Form 990, Part XII, line 2c

Explanation: No changes to the process from the prior year. The Finance Committee review the compiled financial statements.
