Return Reference	Explanation
Part V, Line 4 Intended uses of the endowment fund	Permanently restricted endowment fund earnings are primarily to be used for continuing education scholarships for caregivers and the professional medical community, support of SCHS's Community Benefit program, and in the area of greatest need. The Floyd Dement Hospital Trust Fund Testamentary Trust is administered by the Union Bank of California under a trust agreement which provides that the annual income be distributed to the Foundation for charity care to be provided by St Charles Medical Center-Bend.
Part X FIN48 Footnote	The audited financial statements contain the following footnote: Accounting principles generally accepted in the United States of America require SCHS' management to evaluate tax positions taken by the Corporation and recognize a tax liability (or asset) if the Corporation has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed tax positions taken by the Corporation and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Corporation is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Corporation's management believes it is no longer subject to income tax examinations for years prior to 2010.
