Form 990, Part III, Line 4d, Other program services:

Grants expenses - \$896,125 Through fellowships, seminars and year-round symposiums, the Foundation helps support the education of the next generation of cancer scientists and clinicians. Numerous outreach programs serve to educate community members about cancer. Roswell Park's educational focus is in fulfillment of one of four key goals outlined by the National Cancer Institute for the nation's premier Comprehensive Cancer Centers. These grant expenses also include various clinical equipment.

Form 990, Part IV, Line 34, Related party:

The Foundation evaluated the related party criteria specified in the Form 990 instructions, particularly with respect to its relationship to Roswell Park Cancer Institute (the Institute). The Foundation concluded that none of the relationship or control criteria, as specified in the Form 990 and Schedule R instructions, applied with respect to the evaluation of the relationship existing between the Foundation and the Institute. However, in our judgement, the unique fact pattern related to this situation and the historically close working relationship between the two organizations merits the Foundation disclosing the Institute as a related party and accordingly disclosing the nature and amount of transactions between the two parties on Schedule R. Some of the unique facts/circumstances are that the Foundation exists to support the clinical and scientific purposes of the Institute, the Foundation is recognized in the community as the fundraising arm of the Institute and both share a common mission - understanding, preventing and curing cancer.

Form 990, Part VI, Line 11b, Review process for Form 990:

Form 990 is prepared by the Foundation's management. It is then shared with the Foundation's external auditor for substantive review and signature. After incorporating auditor comments into the Form 990, it is provided to each Foundation Board member for their review. A meeting is held between management and the Finance Committee to review the document, highlight select Parts and Schedules, and answer any questions the Board members may have. All Board members are invited to attend the Finance Committee meeting. After incorporating Board member comments into the Form 990, the final version is sent to each Board member along with a memo from management and the Finance Committee Chair summarizing the discussion at the meeting with management. This review process is conducted prior to filing.

Form 990, Part VI, Line 12c, Conflict of interest policy:

On an annual basis, each Foundation Board member completes a Conflict of Interest Disclosure form which is submitted to the Chair of the Membership Committee. Should a conflict or possible conflict arise or be discovered during the year, the Board member must update the Conflict of Interest Disclosure form at that time. In addition, throughout the year, the Executive Director monitors proposed or ongoing transactions of the organization (e.g., contracts with vendors and collaborations with third parties) for conflicts of interest and discloses them to the Chair of the Membership Committee. Upon receipt of a conflict of interest disclosure by a Board member or the Executive Director, identifying actual or potential conflicts, the Chair of the Membership Committee shall convene a meeting of that Committee to review the facts and circumstances involved. The Committee shall prepare a written recommendation to the Board as to whether the transaction is fair and reasonable and should be authorized. The Board Chair shall determine whether a special Board meeting is required or whether the matter can be reviewed and resolved at the next scheduled meeting. The Board may authorize the transaction by approval of 75% of the Board without counting the member who is the subject of the potential conflict.

Form 990, Part VI, Line 15, Determination of compensation:

Annual compensation for all Foundation employees, including the top management official, officers and key employees, is reviewed each year by the Personnel Committee of the Board of Directors as part of the annual budget approval process. Comparable compensation data for similar positions at similar organizations is reviewed prior to setting the compensation for each position. The individual employee's job performance is also considered. This process was last undertaken in February 2014 for each employee.

Form 990, Part VI, Line 19, Availability of governing documents:

Foundation's governing documents, conflict of interest policy and financial statements are available to the public upon request. The 990, related schedules and financial statements are also available on Foundation's website.

Form 990, Part VII, Section A, Key officers:

Cindy Eller, the Executive Director of the Roswell Park Alliance Foundation is also the Vice President of Development at Roswell Park Cancer Institute. Ms. Eller spends approximately 30 hours in a 40 hour work week on the Foundation and 10 hours on administrative responsibilities for the Institute. Based on the time allocated to each entity, Ms. Eller's total compensation and benefits are split, 75% allocated to the Foundation and 25% allocated to the Institute.

Form 990, Part VIII, Line 8c, Net income or (loss) from fundraising events:

Per the Form 990 instructions, the net income or (loss) from fundraising events is calculated as the difference between gross income and direct expenses. The Foundation's largest fundraising event, The Ride for Roswell, is a peer-to-peer fundraising event with a minimal registration fee per participation (i.e., gross income). However, it generates \$4,092,986 in contributions in addition to gross income of \$119,309. This results in \$3,563,696 to support the Foundation's mission.

Form 990, Part XI, Line 9, Reconciliation of Net Assets:

Other changes in net assets or fund balances of -\$133,396 equals the net of uncollectible pledges of -\$54,435 and actuarial loss on annuity obligations and split-interest agreements of -\$78,961.

Form 990, Part XII, Line 2b, Audited Financial Statements:

U.S. GAAP requires the inclusion within Roswell Park Cancer Institute's financial statements of Roswell Park Alliance Foundation as a component unit based on the nature and significance of the Institute's relationship with the Foundation. The component unit information in the consolidated financial statements includes the financial data of the Institute's discretely presented component unit. The Foundation is reported separately to emphasize that they are legally separate from the Institute.
