Return Reference	Explanation
Part I, Line 1a Relevant information in regards to selections on 1a	Some executives belong to business clubs. Any expenses relating to the personal use of the club are paid directly to the club by the executive. Only business related use is paid to the business club or reimbursed to the executive by Legacy. An allocation of personal use of dues is completed annually and added to the compensation of the executive. Legacy does periodically reimburse for some travel of companions. During 2013, some travel expenses for companions of Legacy Board Directors and executives were reimbursed. These transactions follow Legacy's reimbursement policy requiring documentation and approval of the expenses, prior to reimbursement. These payments are taxable to the individuals and are reported on a W-2 for employees or a 1099 for Board Directors.
Part I, Line 5b Explanation of organization compensation based on revenues of related organization	Physicians employed by Legacy affiliates are paid a bonus contingent upon their revenue generated during the year measured by industry standard relative value units (RVU).
Part I, Line 6b Explanation of organization compensation contingent on net earnings from related or	Legacy has an at-risk incentive compensation plan for management. The plan is based on meeting goals related to employee engagement, work processes, customer service, clinical quality, financial management, and certain key strategic tactics. In order to payout any at-risk incentive compensation, Legacy must exceed operating margin targets.
Part I, Line 8 Amounts reported on 990 VII pursuant to initial contract exemption described in Regs	Legacy enters into initial employment agreements with Executives that qualify under the initial contract exception. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for key executive positions. The Committee relies on comparable market data and all decisions are documented.
Part III, Additional Information	<p>Sch J, Part 1, Question 3 Regarding Compensation Practices: Directors for Legacy are not compensated, but receive expense reimbursements related to their duties. Any expense reimbursements to board members are reviewed by the Director of Tax for determining 1099 tax reporting. Compensation received by Dr. Newberry during 2013 related to his duties for the Medical Staff at Legacy Meridian Park Hospital. Dr. Root received compensation relating to her duties as President of the Legacy Emanuel Medical Staff & compensation for medical services provided to Legacy Emanuel Hospital. Dr. Thoming received compensation during 2013 relating to his duties as President-Elect of the Legacy Salmon Creek Medical Staff. Executive compensation for Legacy is designed to recruit, retain and motivate qualified senior management personnel. The comprehensive compensation plan is designed for positions that have a significant impact on the high-level strategic and policy direction of Legacy and its affiliates. Base pay and total compensation (including incentive compensation) for similar positions is established at a level comparable to market compensation for healthcare organizations. External consultants are regularly used to review published compensation surveys of comparable organizations and comparable benchmark positions in the market. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for executive positions. The Committee oversees the system's governance procedures with respect to intermediate sanctions legislation and the evaluation of reasonableness of compensation. The Committee reports to the Board in sufficient detail to enable the entire Board to take such actions as are required to obtain the rebuttable presumption of reasonableness. The Compensation Committee also reviews tax-reporting disclosures. Sch J, Part II, Column Breakdown Of W-2 Or Misc-1099: Column B(i) - Base compensation consists of regular base pay including employee elected deferrals for retirement plans (403(b) and 457(b) plans). Column B(ii) - The incentive compensation program for Legacy is based on predetermined criteria and reviewed and approved by the Board. Bonuses are paid to key employees for interim duties outside their primary responsibilities (e.g. Acting in Capacity). Column B(iii) - Other compensation consists of deferred compensation amounts paid to executives during the current year and were reported on prior form 990 returns. These amounts include arrangements that contain elements of a substantial risk of forfeiture conditioned on continued employment, vesting and/or a noncompete provision upon termination of employment. Distributions from 457(b) plans, reported to the employee on a 1099-R, are also included as other compensation. In addition, imputed income for insurance, cell phone and other benefits is included in other compensation as well as any severance related payments. Column C - Deferred compensation includes the value of defined benefit plans, contributions to defined contribution plans, amounts deferred under the 457(f) plan including earnings, earnings in the 457(b) plan, and the value of the pension restoration plan. Earnings on the 457(f) and 457(b) include gains and losses on the underlying investments. The defined contribution plan is available to all employees as they become qualified to participate. The pension restoration plan provides executive pension benefits in excess of IRS mandated limits on eligible compensation to key executives. The benefits are unfunded and subject to forfeiture. Executive pension benefits are intended to make the executive's retirement benefit, as a proportion of their final average salary, comparable to all other employees, and are treated as income when paid. The Legacy Health Board approved an Executive Long Term Incentive Plan effective April 1, 2011 for 3 years ending on March 31, 2014. The initial participants include the CEO, CFO and COO. The plan is discretionary and can be terminated at any time. The purpose of the Plan is to attract and retain highly qualified senior executives, to focus management performance and reward participants for contributing to the accomplishments of Legacy's long-term objectives. The long-term strategic goals include improving the quality of care by preventing serious adverse events by ensuring a culture of safety for employee, growth and strategy by achieving meaningful use and optimal care outcomes, and financial management with improved bond rating and increased philanthropic support for programs. Targets for operating margins are required over the three year period and all goals are measured at March 31, 2014. Payout is after approval from the Legacy Health Compensation committee and the Legacy Health Board. Although the Plan is not funded and is subject to substantial risk of forfeiture, Part II, Schedule J, column C reporting is required as deferred compensation for FY2014. Included in the CEO and COOs deferred compensation amount for the Plan is \$122,136, and \$68,667 respectively. The CFO left Legacy in 2013 and is not eligible to receive any payout. Column D - Nontaxable benefits include company paid health and welfare and long term care and disability benefits under group plans. Column F - Current year compensation reported as deferred in prior years.</p>
