Any interest and penalties associated with the tax position would also be recognized in the financial statements.

Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Part I Line 2 Grants to the Elks National Veterans Service Commission and to the Elks Veterans Memorial Restoration Trust are based on their projected annual operating expenses.

These entities submit proposed budgets to the Foundation and the Board of Trustees approves an annual grant based on these budgets. Both of these entities provide the Foundation with their annual audited financial statements.

Annual grants to the Elks state associations are calculated using current and historical contribution rates of donors within the state. Each state association must submit a budget for its grant that is subject to review and approval by the Foundation before payment. At the conclusion of the grant year, the state

association is required to furnish the Foundation an accounting and certification indicating how the grant funds were used. The Foundation compares the certification report with the budget and follows-up with the association to resolve any significant discrepancies. In the event that a state association does not submit a certification report or fails to adhere to the grant guidelines, the Foundation withholds future grants.

Grants to lodges are made for community related projects or activities. All lodge grants require written application and are subject to review and approval by the Foundation. Larger "Impact Grants" require a signed grant agreement from the lodge that spells out the terms of the grant. For the duration of the grant the lodge provides quarterly progress reports detailing activities and how the funds are used. At the end of the grant period or project completion, the lodge provides a final report and is required to return any unused funds. On-site visits by the Foundation are also made to assess the use of the award. Smaller grants not exceeding \$2000 are also available to the lodges. For these grant programs, a lodge will submit a request describing the proposed activity and can receive the funds in advance of the program or event. Final reporting that summarizes use of the grant and receipts for grant related expenses is required and a lodge's failure to submit these documents will render them ineligible for future grant awards.
