NARAL PRO-CHOICE MISSOURI FOUNDATION
PART III - STATEMENT OF PROGRAM ACCOMPLISHMENTS
Form 990EZ – FYE March 31, 2014

NARAL Pro-Choice Missouri Foundation (NARAL) has a thriving internship and young-adult outreach program. Drawing from diverse college campuses, NARAL in Missouri had a dozen summer interns. Working with staff, they managed a very impressive social network presence, made YouTube videos on issues of importance to Missourians, and educated Missourians about women's health and potential political threats.

On a grassroots level, the organization gained hundreds of new activists and trained dozens of clinic escorts, who act as physical barriers to protesters at clinics that provide women's health care, including abortion care. Presentations were made to Med Students for Choice and to providers at clinics about the law regarding clinic access. For over 30 years, the organization has trained patient escorts at two local clinics providing abortion care.

Staff, interns, and volunteers held visibility events to heighten public awareness about judicial rulings affecting access to reproductive healthcare, on multiple occasions. The organization also provided educational briefing papers to the public about pending legislation. Representatives on college campuses distributed safe sex, "No Means No" pamphlets, and condoms.

Over the past 10 years, the organization has done comprehensive research about contraceptive access, rape survivors' access to emergency contraception in emergency rooms, access to Title X services, the efficacy of crisis pregnancy centers, the landscape of sex ed in Missouri, and a host of other topics related to reproductive rights.

The organization has actively recruited young people and people of color, and its reproductive rights roundtables have featured people of faith, older people, and members of the LGBT community. In any given year, including this past one, NARAL in Missouri hosts dozens of programs in the community.

Total Program Expenses - \$89,308
