990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 11	The first level of review of the Form 990 is by MACED's finance director, who provides the preparer with the information for the return and works closely with the preparer to ensure its accuracy and completeness. The MACED president reviews the form before signing it. The board's finance committee also reviews the Form 990. Following the finance committee review, the Form 990 is distributed to the board electronically before it is submitted to the IRS.
Form 990, Part VI, Section B, line 12c	The MACED bylaws include a conflict of interest policy that specifies conflicts of interest to be avoided. The board of directors may make exceptions to the policy in specific cases when the situation is fully disclosed to them. A provision of the conflict of interest policy is that that each director, officer and employee must receive, sign and return a copy of a summary of the conflict of interest policy. Annually, MACED board members and employees sign the summary anew, affirming that they have read and understand the policy. As part of the annual audit process, board members and other related parties fill out a related party questionnaire on which they report any interests and transactions that could give risk to conflicts of interest. Any conflicts of interest are disclosed as part of the audited financial statements.
Form 990, Part VI, Section B, line 15	Annually, the MACED president is evaluated through a process guided by the board executive committee, composed of the board officers (chair, vice-chair, board treasurer and board secretary). The executive committee reports its findings to the board in closed session. After considering the committee's report, the board sets the president's compensation for the following year. The board takes into account compensation levels reported on Forms 990 for the CEOs of three to five comparable organizations as well as its knowledge of compensation of positions in the private and nonprofit sectors with comparable levels of responsibility, qualifications and achievement. The president does not participate in or vote on the decision on the president's compensation. The board's decision on compensation is recorded in minutes which are presented and approved at the following board meeting. This process last took place in December 2013. The president determines the compensation of other staff, including those who serve as corporate officers, following an annual performance review of each staff member. Along with considerations of equity among staff, the president takes into account compensation levels reported on Forms 990 for officer positions in three to five comparable organizations and his knowledge of compensation of positions in the private and nonprofit sectors with comparable levels of responsibility, qualifications and achievement. Every change in a staff salary is documented in a letter to the staff member.
Form 990, Part VI, Section C, line 18	MACED, its subsidiary Ridgecrest Enterprises, and its sister nonprofit Appalachian Investment Corporation are audited each year. The corresponding audit report is on the consolidated financial statements of MACED and its affiliates. This report is available at www.maced.org. A separate audit on MACED's stand-alone financial statements is not issued.
Form 990, Part VI, Section C, line 19	MACED's Articles of Incorporation, summary conflict of interest policy and audited financial statements for the past five years are available on the MACED web site, www.maced.org.
