Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	The organization maintains records for all grants awarded to Greek community organizations at universities around the United States. When a grant is applied for, the applicant organization must submit detail on their planned restorations of their houses. The Board of the Society of the Preservation of Greek Housing (SPGH) then grants or denies the request for grant funds. A spreadsheet is maintained detailing contributions that have come in and been paid out to the grant-awarded organization. When enough contributions have been received to cover the total grant awarded, the grant is then completed and noted as such. Any subsequent contributions that come in for that organization are held as restricted assets by SPGH until another grant is awarded to that organization.
