SEE STATEMENT 15

HOW TO APPLY FOR A GRANT

The Foundation encourages organizations with interesting ideas, initiatives, and projects that fall within our guidelines to apply for a grant. Specifically, we are interested in projects that

- Enhance lives through the arts,
- Preserve and encourage use of urban parks

There are two ways to approach the Foundation for funding

The first is by Letter of Inquiry. Organizations interested in pursuing funding are strongly encouraged to first write a two-page Letter of Inquiry. Letters of Inquiry allow both the organization and Foundation to explore ideas before investing in a full proposal. The letter should provide background on the applicant organization, explain the problem it proposes addressing, describe the proposed project, and estimate total project costs and the amount to be requested from the Foundation. The Letter may not be more than two pages in length and should be submitted on the agency's letterhead and signed by the agency's board president.

Letters of Inquiry are reviewed at regular Trustee meetings and should be submitted to the Foundation no later than September 1 for October review, December 1 for January review and March 1 for April review. Since a Letter of Inquiry is a more flexible approach, it is possible that letters may be accepted after the deadline for late-breaking or time-sensitive requests. Following the Trustee meeting, staff will inform your organization whether or not you are invited

to submit a full proposal. Organizations invited to continue in the process will have one month to prepare a full proposal. It is important to note that an invitation to submit a full proposal does not guarantee a grant award will be made to your organization.

The second approach is through the submission of a full proposal and a completed Whitaker Foundation Proposal Summary Form. Applicants must contact the Foundation before submitting a full proposal.

A Proposal Summary Form may be obtained by contacting the Foundation. This three-page form serves as an executive summary for the application and must accompany the proposal. The full proposal should include:

- an organizational background including mission, history, types of programs offered and constituencies served
- an analytical discussion of the problem the project plans to address
- detailed information about the project, its execution, time frame, goals, objectives and methodologies, and how it will be evaluated
- a project budget noting anticipated expenses, including details of how Foundation funds will be used, anticipated income, and information about other grantmakers approached for funding
- an organizational budget noting revenue and expenses, the organization's most recent audited financial statements, and a list of public and private sources of income
- supporting documents that include a list of current board members with their titles, an annual report, and evidence of 501(c)3 tax-exempt status

Proposals with completed Whitaker Foundation Proposal Summary Forms are due August 1 for October review, November 1 for January review, and February 1 for April review. These deadlines are not flexible.

All proposals and Letters of Inquiry are screened and evaluated by the staff before presentation at Trustee meetings.

The Foundation does not support social events such as galas or golf tournaments, preferring to support project-related requests. Faxed or emailed proposals, Letters of Inquiry or Proposal Summary Forms are not accepted. Please do not submit proposals in notebooks, binders, or plastic folders.

All proposals, Letters of Inquiry, or requests for information should be directed to Executive Director, Whitaker Foundation, 308 N. 21st Street, Suite 400, St. Louis, Missouri 63103.

Most brokers issue their own substitute statement instead of using Form 1099-B. They also may provide basis information (usually your cost) to you on the statement even if it is not reported to the IRS. Before you check Box D, E, or F below, determine whether you received any statement(s) and, if so, the transactions for which basis was reported to the IRS. Brokers are required to report basis to the IRS for most stock you bought in 2011 or later.

Part II **Long-Term.** Transactions involving capital assets you held more than one year are long term. For short-term transactions, see page 1.

Note. You may aggregate all long-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the total directly on Schedule D, line 8a; you are not required to report these transactions on Form 8949 (see instructions).

You **must** check Box D, E, or F below. Check **only one box**. If more than one box applies for your long-term transactions, complete a separate Form 8949, page 2, for each applicable box. If you have more long-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

☒ (D) Long-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS (see Note above)

☐ (E) Long-term transactions reported on Form(s) 1099-B showing basis was not reported to the IRS

☐ (F) Long-term transactions not reported to you on Form 1099-B
