Return Reference	Explanation
Schedule D, Part III, Line 1	Collections (historic treasures and similar treasures held as part of collections) which were acquired through purchases of contributions since the College's inception are not reflected in the Statement of Financial Position. As of May 31, 2014 and May 31, 2013, the insured value of these items was approximately \$3,433,000 and \$3,400,000, respectively.
Schedule D, Part III, Line 4	Teaching, research, exhibition and publication are the foremost ongoing goals of the Gallery's permanent collection. To best serve the Lake Forest College community and its non-community constituents, the Gallery will continue to collect the best of the past and the present, acquiring art that is of high aesthetic quality and historic importance, objects representative of major period styles and significant movements and directions, objects consonant with the Gallery's current holdings.
Schedule D, Part V, Line 4	The College's Endowment provides revenue to support the general operations of the College primarily for academic and scholarship programs. Individual funds are managed by the donor's intent.
Schedule D, Part X, Line 2	The College has received a determination letter from the Internal Revenue Service indicating that it is a tax-exempt organization as provided in Section 501(c)(3) of the Internal Revenue Code of 1986 and, except for taxes pertaining to unrelated business income, is exempt from federal and state income taxes. No provision has been made for income taxes in the accompanying financial statements as the College had no material unrelated business income in fiscal years 2014 and 2013. The College follows guidance issued by the FASB with respect to accounting for uncertainty in income taxes. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The College recognizes interest and penalties related to unrecognized tax benefits in interest and income tax expense, respectively. The College has no amounts accrued for interest or penalties as of May 31, 2014. The College does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months. The College has applied this criterion to all tax positions for which the statute of limitations remains open. The tax years open to examination by tax authorities under the statute of limitations include fiscal 2011 through 2013. The College has determined that its tax provision satisfies the more likely than not criterion, and that no provision for income taxes is required at May 31, 2014.

Return Reference	Explanation
Schedule J, Part I, Line 1a	On-campus housing is provided to the President as a condition of employment and is non-taxable under IRC-119. Dues paid at a local private club allow the President's Office to host college functions at that facility since the club does not allow corporate memberships. Because the President does not make personal use of the club, the benefit is considered non-taxable.
Schedule J, Part I, Line 3	The College has written compensation guidelines for the President and Officers. Compensation for each is benchmarked to that of peers at colleges in the Associated Colleges of the Midwest and the Great Lake Colleges Association. Information about level of reward at other national Carnegie IIB colleges is reviewed. Data from the Chronicle of Higher Education on presidential salaries is also reviewed. Annual goals, objectives and strategic initiatives are set for the President by the Board of Trustees.
Schedule J, Part I, Line 4	The Board of Trustees established a 457(f) Plan for the President of the College for the period June 1, 2011 through June 1, 2014. Partial vesting occurs after June 1, 2013, full vesting occurs after June 1, 2014. Interest rate is an average daily WSJ Prime. During fiscal year 2013-2014, \$95,886 was accrued to the Plan.

Prior to the meeting, Form 990 was reviewed by the President, Vice President of Finance and Planning, and an independent auditor. After Budget and Audit Committee reviews the tax form and prior to filing, Form 990 is made available to the full Board of Trustees via email.
Form 990, Part VI, Section B, Line 12c	All Interested Persons are required to disclose conflicts annually. Forms are sent to Board Members, Senior Administrators, and all Department Managers. The Secretary of the College accumulates all disclosure statements for Board Members and furnishes them to the Chairman of the Board. The Secretary of the College will report to the Chairman of the Board those individuals who fail to furnish an annual statement. Board Members and Senior Administrators who have declared a conflict of interest, or who have been found to have a conflict of interest, shall refrain from participating in any proposed transactions involving outside interest held by the Board Member or Senior Administrator. This includes consideration of the transaction or voting, unless the Board or Administration requests information or interpretation for special reasons that are stated on the record or in writing. Should a determination regarding the existence of a conflict of interest matter required an Executive Committee or Board vote to resolve, those concerned shall not be present at the time of the vote. The VP for Business Affairs collects and reviews the forms which are not Board Members or Senior Administrators. Compliance is checked in the VP's office and conflicts are resolved with the review of the President. Noncompliance is a performance issue and appropriate actions are taken.
Form 990, Part VI, Section B, Line 15	The College has written Compensation Guidelines for the President of the College. The President's salary is reviewed and set annually by a compensation committee of the Board of Trustees, and a letter is sent to the VP for Business Affairs with the salary information. The President's salary is documented by the Chair of the Board. The President's salary is benchmarked to that of peer colleges in the Associated Colleges of the Midwest and the Great Lakes Colleges Association. The President's salary is also reviewed with information about level of reward at other national Carnegie IIB colleges, and salary and tax form data published in The Chronicle of Higher Education. These procedures were undertaken in our fiscal year which was June 1, 2013 through May 31, 2014, and calendar year 2013. Line 15b: The College has written Compensation Guidelines for Officers of the College. The policy has guidelines for positions reporting to the President, those positions include all Officers (VP of Development, VP for Business Affairs, Dean of the Faculty, Dean of Students, VP of Admissions) and some non-officers (Director of Communications and Marketing, Associate VP of Planning, Athletics Director). Compensation for each is benchmarked to that of peer colleges in the Associated Colleges of the Midwest and the Great Lakes Colleges Association. Information about level of reward at other national Carnegie IIB colleges is reviewed. Data published in The Chronicle of Higher Education on salaries from tax forms is also reviewed. Salary data is reviewed and set annually by the President for positions reporting to the President, which is then reviewed with the Chair and Vice Chair of the Board of Trustees. These procedures were undertaken in our fiscal year which was June 1, 2013 through May 31, 2014, and calendar year 2013.
