Return Reference	Explanation
Part V, Line 4	The income from the endowment funds is used to pay for scholarships sponsored by the donors in the National Merit Program and the National Achievement Program
Part X, Line 2	NMSC is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, NMSC may recognize the tax benefit from an uncertain tax position only if it is more-likely-than-not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods. Management evaluated NMSC's tax positions for all open tax years and has concluded that NMSC had taken no uncertain tax positions that require adjustment to the financial statements. Generally, NMSC is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before fiscal year 2011, which is the standard statute of limitations look-back period.
