Return Reference	Explanation
Part II-B, Line 1i - Other Activities Description	In Tax Year 2013 St Olaf College provided financial support in the form of transportation to students and staff who attended various lobbying and seminars with legislators. In addition, St Olaf College provided support in the form of compensation to staff involved in these activities and postage for mailings sent to legislators. The primary focus of efforts was to communicate to representatives their continued interest in receiving grants for educational activities. The influence to legislation through other activities is derived from the dues St Olaf College pays to the Minnesota Private College Council (MPCC). St Olaf College is a member of MPCC, an organization described in section 501(c)(4) of the Internal Revenue Code. MPCC is an association of private nonprofit institutions of higher education that serves a variety of its members' shared needs, including, but not only, nonpartisan and non-electoral advocacy for public policy that meets students' needs and advances the interests of private higher education. St Olaf College paid membership dues to MPCC in the amount of \$161,544 during the taxable year. MPCC has divided its expenses for its taxable year into two groups. Group 1 consists of those expenses that did not in any way support attempts to influence legislation within the meaning of section 501(c)(3) of the Internal Revenue Code ("lobbying"), and Group 2 consists of all other expenses. Group 2 includes many expenses, such as personnel costs, that supported both lobbying and nonlobbying activities. MPCC did not attempt to allocate the Group 2 expenses between lobbying and nonlobbying activities. MPCC has determined that the amount of the Group 2 expenses represents 71.55% of the amount of the dues that MPCC collected in the same taxable year. Assuming that all Group 2 expenses were paid from member dues, and allocating those expenses pro rata based on the dues paid by each member, \$115,585 of St Olaf College's dues were used to pay Group 2 expenses. The amount of lobbying expenses paid from St Olaf College's dues was significantly less than that amount.

Grantmaker's Description of How Grants are Used	Grant funds disbursed by the College are predominantly available as merit or need based scholarships. These scholarships are disbursed by the Financial Aid office and are credited directly to the student's account to pay for tuition, room and board. They are then monitored by the Financial Aid Office and the Student Accounts Office, both of whom are notified if the student's enrollment status changes during the semester. These offices monitor whether the grantee is taking the necessary classes and is therefore utilizing the grant as it was intended. If a student's enrollment changes, award adjustments are made. Other grant funds are disbursed by the College through Accounts Payable. Qualification and use of these payments are monitored by the respective departments responsible for the disbursement.
