| Return Reference | Explanation |
|---|---|
| Grantmaker's Description of How Grants are Used | The JLH Community Project Support line items are for agencies to which the Junior League of Houston has committed both volunteers and financial support on an ongoing basis. Unlike the JLH Community Project Support line items, the External Community Assistance line items will change each fiscal year. The Junior League of Houston provides Community Assistance Grants to worthwhile organizations that do not receive ongoing volunteer support or financial assistance through the Leagues existing community projects. The Leagues Community Assistance Committee reviews the grant requests, prioritizes them based on their alignment with Board-determined focus areas and conducts site visits before making recommendations for funding. When selecting recipients, the committee considers whether an agency's request would address a critical or basic need, fund a pilot project or expand a significant service to the community. Each recipient agency must sign a contract with the League setting forth the purpose of the grant and agreeing to the League's grant disbursement terms. The agency must also provide documentation including receipts that demonstrate that the funds were used as specified in the contract. |
