PART X, LINE 2	The Foundation follows the provisions of FASB ASC Topic 740-10 and related subsections for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the Foundation's tax returns. As a result of implementing this guidance, management has determined that the Foundation does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Foundation's tax returns will not be challenged by the taxing authorities and that the Foundation will not be subject to additional tax, penalties, and interest as a result of such challenge. If the Foundation were to incur an income tax liability in the future, interest would be reported as interest expense and penalties would be reported as income taxes. Generally, the Foundation's tax returns remain open for federal income tax examination for three years from the date of filing.
