Return Reference	Explanation
Part II, Line 9	Conservation easements are included in property and equipment on the School's June 30, 2014 Statement of Financial Position. There were no new conservation easements during the fiscal year ending June 30, 2014.
Part V, Line 4	The School's primary objective is long-term capital appreciation which together with income will provide for the growth of the endowment while allowing support for current activities. The School has adopted a spending policy whereby a percentage of the historical average market value of the endowment for program services and capital needs is distributed and treated as support for operating activities. To the extent the total return requirement for the current year is not fulfilled by interest and dividends, the School utilizes realized gains of its endowment. To the extent the total return requirement for the current year is exceeded by interest and dividends, the School adds the excess income to its endowment.
Part X, Line 2	In determining the recognition of uncertain tax positions, the School applies a more-likely-than-not recognition threshold and determines the measurement of uncertain tax positions considering the amounts and probabilities of the outcomes that could be realized upon ultimate settlement with taxing authorities. As of June 30, 2014, the School has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.
Part XI, Line 2d - Other Adjustments	Rental Expenses 28,663

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section A, line 7a	
Form 990, Part VI, Section B, line 11	The School's Treasurer and Assistant Head for Finance & Operations are responsible for overseeing the preparation of IRS Form 990 (990). The 990 and its supporting schedules were prepared by the public accounting firm, Tonneson & Company, Inc. (Tonneson), responsible for auditing the School's financial statements. Tonneson's work was based on information provided to them during the course of the audit by the School's business office, plus additional work requested specific to the 990. The Chair of the Board, Treasurer, Audit Committee Chair, Head of School and Assistant Head for Finance & Operations performed a detailed review of the completed 990 and reported the results of its review to the Board of Trustees. The Board of Trustees then voted to authorize the audit committee to approve the Form 990. The audit committee approved the Form 990 for filing.
Form 990, Part VI, Section B, line 12c	Each member of the Board of Trustees is required to disclose at the first Board Meeting of each year any existing or potential conflict of interest. The Board of Trustees may also provide for such corrective action as it deems appropriate by reason of a failure to disclose such conflict of interest, which may include removal from a position or office. Disclosure forms shall be updated annually or sooner if changed circumstances require disclosure. All persons subject to this policy are expected to update their "Annual Statement Regarding Conflict of Interest" at any time during the year that the information requested on the form changes. The administration and maintenance of the "Annual Statement Regarding Conflict of Interest" shall be the responsibility of the Chair of the Board of Trustees, or his/her designee.
Form 990, Part VI, Section B, line 15	The Committee of Trustees initially determines compensation for the Head of School and reviews compensation for other key employees based on benchmarking with area peer schools. Proposed compensation is then reviewed and approved by the entire Board of Trustees.
Form 990, Part VI, Section C, line 19	The governing documents, conflict of interest policy, financial statements and Form 990 are immediately made available to the public by calling the School's office, walking into the School's office or mailing in a request to the School. The Form 990 and financial statements are also available through the Massachusetts Attorney General's office/website. Additionally, the financial statements are available to the public on the Electronic Municipal Market Access website.
