Return Reference	Explanation
Part X FIN48 Footnote	Under provisions of the U S Internal Revenue Code, section 501(c)(3), NEFWC is exempt from taxes on income, other than unrelated business income, and accordingly does not record a provision for income taxes on its related earnings. In June 2006, a new accounting interpretation was issued regarding accounting for uncertainty income taxes which prescribes how an entity should measure, recognize, present and disclose positions that it has taken or expects to take on its tax or information returns. The effect of the implementation of this guidance was not material to the financial statements. NEFWC regularly reviews and evaluates its tax positions taken in previously filed information returns and as reflected in its financial statements, with regard to issues affecting its tax exempt status, unrelated business income, and related matters. It believes that in the event of an examination by taxing authorities, its positions would prevail based on the technical merits of such positions. Therefore, NEFWC has concluded that no tax benefits or liabilities are required to be recognized.
