Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Schedule I, Part I, Line 2	BOEDC monitors each grant in three ways 1) site visits are made before grants are approved, and then when requests for payments are made, in order to ensure that the expenditure for which the grant has been approved has in fact been, or is at least in the process of, being incurred 2), in some cases, where an initial deposit payment is made (and this is only where it has been demonstrated that such an initial deposit payment is needed, and so it is intended, to get the project started) all requests for payment include a certification by the project-manager for the grantee that certifies that the requested payment is properly for grant-related expenditure(s), and the payment request also includes supporting documentation as to this, and 3) payments are preferably and generally made only directly to the vendors, and where they are made to the grantees this is done only upon the receipt by BOEDC of invoices that have already been paid (as confirmed through a site visit)
Form 990, Schedule I, Part II	The total of the grants and other assistance to government and organizations in the United States, that were over \$5,000, included in Schedule I, are higher than the total grant expense reflected on line 1 of the form 990 Part IX The reason for this is that there was a refund in the current year for prior year grants paid to an organization, which reduces the amount on line 1 of the form 990 Part IX
