VI, Section B,
Line 11A

The Form 990 is prepared by the University's Associate Vice President and Controller as assisted by various other staff members in the Finance and Planning Department. The prepared Form is reviewed by the University's President, Chief Financial Officer and In-House Legal Counsel as well as PriceWaterhouseCoopers, LLP the University's outside tax advisors. A draft Form 990 is then presented to the Audit Committee of the Board of Trustees for approval, followed by distribution of the final copy of Form 990 to all members of the Board of Trustees before it is filed.

Return Reference	Explanation
CORE FORM, PART VI, SECTION B, LINE 12(C)	Conflict of Interest Policy Disclosure Forms (the "Disclosure Forms") are annually submitted to and retrieved from the University's Trustees, Officers, Deans and Key Employees. The Disclosure Forms for Officers, Deans and Key Employees are reviewed by the Associate Vice President of Human Resources and University In-House Legal Counsel. Potential officer, dean and key employee conflicts are vetted with supervisors in consultation with the Associate Vice President of Human Resources and University's In-House Legal Counsel. The Disclosure Forms for the Trustees are reviewed by University In-House Legal Counsel, who prepares a spreadsheet listing potential trustee conflicts for review by the Board's Committee of Trustees. This listing is used as (1) a guide to ensure that conflicted Trustees are recused from discussions and voting when appropriate and (2) input to assess disclosures in the University's Form 990.

Return Reference	Explanation
CORE FORM, PART VI, SECTION B, LINE 15	Each year, the Chair of the University's Board of Trustees requests the Human Resources Department to collect comparative presidential compensation data from the College and University Professional Association for Human Resources (CUPA-HR), as well as published Form 990 data from such sources as the Chronicle of Higher Education, as a basis in setting the annual compensation of the President of the University for the upcoming year. With respect to other University officers, deans and key employees, each year prior comparability data from peer institutions is collected and summarized for review by the President (nine comparable doctoral class institutions of similar size, scope and organizational complexity, locally and nationally, used as comparators for several academic and financial scopes across the university). This data obtained via survey, and at times via outside independent consultant, is used by the President to present compensation adjustments to the University's independent Compensation Committee of the Board of Trustees. The competitive data obtained is also used when determining compensation offers for new hires at the executive level. Once this data is collected and presented for approval by the Compensation Committee and the Board of Trustees, documentation of the surrounding discussions and decisions is prepared by the Special Assistant to the Board of Trustees and filed with the University Archivist, along with the related minutes of the meetings for historical record. The University further has a robust performance evaluation process in place, the results of which are considered during the compensation determination process. The University's President does not take part in Board voting relating to matters involving his compensation, benefits and other terms and conditions of his employment, or participate in or attend Board meetings and discussions relating thereto, except at times when responding to questions from the Compensation Committee.

CORE FORM, PART VI, SECTION A, LINE 4	The University's By-Laws were amended on July 31, 2013 for the purpose of combining the Pension Special and Investment Committees that were previously separate committees. On May 8, 2014 the By-laws were amended for the addition of the composition and qualification of Special Alumni and Parent Trustee Classes to the voting members of the Board of Trustees. In addition the By-Laws were also modified on September 16, 2014 to comply with the requirements of the New York Non-Profit Revitalization Act primarily related to Interested Trustees, Related Parties, and Related Party Transactions. As part of this amendment, the University's conflict of interest policy was materially amended and removed from the By-Laws and is now a stand-alone Trustee policy. All such amendments and modifications were approved by the Board of Trustees. The July 31, 2013 amendment was not considered to be significant to the University's governing documents. The May 8, 2014 and the September 16, 2014 amendments are considered significant changes to the University's governing documents based on Form 990 Part VI, line 4 instructions.
