INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
ATM Education
Powell, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of ATM Education (a nonprofit organization) which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ATM Education as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 12, 2014, on our consideration of ATM Education's internal control over financial reporting and on our tests of compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ATM Education's internal control over financial reporting and compliance.

Nature of Operations

ATM Education (the Organization) is a not-for-profit corporation chartered in Ohio. The Organization exists to provide relationship and marriage education and awareness to teenagers, parents, professionals and the community. The Organization provides resources and educational services to public and private middle and high schools, community organizations, parents and the adults who influence students ages 12-18 through classroom presentations, mentoring groups, assemblies, seminars, web sites, newsletters and other mediums. The Organization primarily provides services throughout the State of Ohio and direct services specifically to 32 Ohio counties. The Organization obtains significant funding from the Ohio Department of Health and Human Services.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation – The financial statements are presented using the accrual basis of accounting as required by accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and related disclosures. Estimates included in the financial statements include the useful lives and depreciation for property and equipment assets, the realization of accounts receivable and the functional allocation of expenses. Actual results could differ from those estimates.

Cash – Cash reported in the statements of financial position and statements of cash flows is defined as petty cash and cash on deposit with financial institutions.

Accounts Receivable – Accounts receivable are stated at the amount management expects to collect from outstanding balances primarily through the Ohio Department of Health from a grant awarded to the Ohio Adolescent Health Centers with the The Ridge Project, Inc. as fiscal agent and other organizations. The Ridge Project is also one of the collaborators as is ATM. Generally, the accounts receivable represent reimbursement for expenditures incurred and sales of curriculum kits and program supplies. The accounts receivable balances past due are not interest bearing. Any balances that are outstanding after management has used reasonable collection efforts would be written off through a charge to the valuation account and a credit to trade receivables. Accounts receivable balances are considered past due based on the terms of the contract. Management has evaluated the outstanding balance and believes that it is fully collectible. Accordingly, management did not provide an allowance for uncollectible accounts.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Inventory – Inventory consists of curriculum kits and program supplies that are used by ATM and sold to various organizations that utilize the ATM educational programs. Inventory is stated at the lower of cost, using the first-in, first out method, or market.

Property and Equipment, Net – Property and equipment are presented at cost less accumulated depreciation. Expenditures greater than \$500 and with an estimated useful life of more than a year are capitalized. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in changes to net assets for the period. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized. The Organization assesses the recoverability of the carrying value of property and equipment if events occur, such as a significant decrease in the market value of the asset or a significant change in operating activities.

Income Taxes – The Organization is exempt from Federal income tax under the provisions of Internal Revenue Code Section 501(c)(3). The Internal Revenue Service has determined that the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A), and it has been classified as an organization that is not a private foundation under Section 509(a)(2). The Organization's tax filings with the Internal Revenue Service remain open for review three years from the date of filing.

The Organization has evaluated its tax positions for all open tax years. Currently, the tax years open and subject to examination by the Internal Revenue Service are the June 30, 2013, 2012 and 2011. However, the Organization is not currently under audit nor has the Organization been contacted by any jurisdiction. Based on the evaluation of the Organization's tax positions, management believes all tax positions taken would be upheld under examination. Therefore, no provision for the effects of uncertain tax provisions have been recorded for the fiscal year ended June 30, 2014.

Net Assets – The net assets are classified as unrestricted. The unrestricted net assets are not restricted by donor imposed conditions and are available for the regular operations of the Organization.

Disclosures about Fair Value of Financial Instruments – Accounting principles generally accepted in the United States of America define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Additionally, the inputs used to measure fair value are prioritized based on a three-level hierarchy. The hierarchy requires organizations to maximize the use of observable inputs and minimize the use of unobservable outputs. The three levels of input are:

Disclosure about Fair Value of Financial Instruments – (continued)

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than quoted prices included in Level 1. These inputs include quoted prices for similar assets or liabilities to active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value measurement.

These standards apply to all financial assets and liabilities, as well as nonfinancial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis (or at least annually).

The Organization's financial instruments include cash, accounts receivable, accounts payable and accrued payroll and related expenses. The carrying value of cash, accounts receivable, accounts payable, and accrued payroll and related expenses approximate their fair value due to their short term duration. There are no fair value measurements with respect to nonfinancial assets or liabilities that are recognized or disclosed at fair value in the Organization's financial statements on a recurring basis.

Functional Expense Allocation – Costs of program activities and support services are presented on a functional basis in the financial statements. Accordingly, certain direct and indirect expenses have been allocated among the programs and support services benefited.

Advertising Costs – The Organization reports advertising costs as expenses when incurred. Advertising costs were \$308 for 2014.

Compensated Absences – In certain circumstances, such as upon leaving employment, office employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

NOTE 8 – CONCENTRATIONS OF CREDIT RISK

The Organization provides services primarily to residents of Ohio and obtains significant financial support from the Ohio Department of Health and The Ridge Project, Inc, a recipient of a grant from the Ohio Department of Health.

Financial awards from Federal, State and local governmental entities in the form of grants are subject to special audits. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date. Management believes that any liabilities would be insignificant to the financial statements.

Financial instruments that potentially subject the Organization to credit risk are primarily accounts receivable with the Ohio Department of Health grant and other organizations. The Organization extends unsecured credit to the Department for expenses incurred on behalf of the grant programs offered by them. Management believes such a risk is immaterial to the financial statements. And no reserve has been recorded for such a loss.

NOTE 9 – RELATED PARTIES

The Organization may, at times, engage in immaterial transactions with individual board members of the Organization. One board member is the owner of the accounting firm that prepares the IRS Form 990 for the Organization at no charge.

During the year ended June 30, 2014, the Organization shared space with The Core Center, a not for profit organization. The Core Center shared the cost of the rent.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
ATM Education
Powell, Ohio

To the Board of Directors:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of ATM Education, a not for profit organization (the Organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 12, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered ATM Education's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ATM Education's internal control. Accordingly, we do not express an opinion on the effectiveness of ATM Education's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audits, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

ATM Education
Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ATM Education's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
