Return Reference	Explanation
Part V, Line 4	For almost 400 years, the Daughters of Charity have lived in service to help the sick and the poor. In partnership with others, they have met the challenges and needs of our growing community since the Seton Infirmary opened its doors in 1902. To continue to sustain this legacy, the CMC Foundation of Central Texas created endowment funds to support the healthcare ministry of the Seton Family of Hospitals. The principal of an endowment is never touched. The distributions from an endowment provide a dependable source of income each year to help Seton to continue to meet the community's healthcare needs.
Part X, Line 2	This Organization is included in the consolidated financial statements prepared for Seton Healthcare Family for the fiscal year ending June 30, 2014. The following ASC 740 disclosure is included in the audited financial statements: The member health care entities of Seton are primarily tax-exempt organizations under Internal Revenue Code Section 501(c)(3) or 501(c)(2), and their related income is exempt from federal income tax under Section 501(a). Seton accounts for uncertainty in income tax positions by applying a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. No liability for uncertain tax position was reported for this Organization.

Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	The Seton Healthy Communities Fund Committee is responsible for the administration of grant funds. The Committee includes employees as well as executives and is charged with reviewing requests from other organizations and determining whether they meet the Network's charitable request guidelines. The requesting organizations submit letters specifying the amount of contribution requested and details of its program. Each entity must provide its IRS 501(c)(3) determination letter (as evidence of tax-exempt status), a history of its use of funds, a list of other funding sources and a list of Board of Directors. Requestors also are asked to identify the Organization's purpose, the activities that reflect consistency with its stated purpose and provide a description as to how funds will be used. Generally, a successful requesting organization will spend at least 60 percent of its annual expenses on program activities, ensure that fundraising expenses are reasonable over time and will not have a persistent deficit in net current assets. In awarding funds, the Grants Committee looks for organizations that - Have a mission aligned with Seton's mission, vision and values (e.g., improving the health of those we serve, particularly the poor and vulnerable), - Can demonstrate that the event or activity will enhance access to health-related services and human service needs, improve health outcomes, provide health-related education, information and support, and/or offer sustainable impact, - Provides outreach in Seton's service area, supports a diverse population, supports workforce development and/or helps sustain a relationship with a potential or existing Seton stakeholder. Generally, the committee, pursuant to its policies and procedures, confirms prior to any award that grantees are organizations whose headquarters and work are based in Central Texas, or the work for which we granted them a sponsorship is in Central Texas, and post-award we generally receive confirmation of how the funds were used.
