Return Reference	Explanation
Part IV, Line 2b Explanation of escrow account liability	The Coalition is the temporary fiduciary for the Chronic Disease Coordinating Council's annual forum account. The funds are set aside for the Council's objectives and are under the control of the Chronic Disease Coordinating Council and cannot be utilized without approval of the Council.
Part X FIN48 Footnote	Generally accepted accounting principles require tax effects from an uncertain tax position to be recognized in the financial statements only if the position is more likely than not to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. If an uncertain tax position meets the more-likely-than-not threshold, the largest amount of tax benefit that is greater than 50% likely to be recognized upon ultimate settlement with the taxing authority is recorded. The Coalition's primary tax positions relate to its status as a not-for-profit entity exempt from income taxes and classification of activities related to its exempt purpose. Management has evaluated the tax positions reflected in the Organization's tax filings and does not believe that any material uncertain tax positions exist.
