Return Reference	Explanation
SCHEDULE D, XII, LINE 4B	The audited financial statements reflect unrealized amortization of deferred charges relating to deferred liabilities of \$70,625. This amount does not get reported on the form 990.
SCHEDULE D, PART X, LINE 2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. If the Organization were to incur an income tax liability in the future, interest and penalties would be reported as income taxes. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes the Organization is no longer subject to income tax examinations for years prior to 2011.
